

DESERT DUST

SPECIAL EDITION

Shriners International

Your Potentate

Happy New Year Nobles
and Ladies.

As you're reading this
edition of the award-
winning Desert Dust I have
been installed as Potentate

of Oasis Shriners. It was a very humbling moment in my life. Oasis was honored to have Imperial Sir Ed Stoltze travel to Charlotte for installation. He articulated his knowledge and shared his vision for our fraternity, all with the grace to remove his Fez and give credit due to the hard-working members of our temple. Illustrious Sir Johnny Burgess and Imperial Sir Ed Stolze installed me along with my beautiful granddaughter, Olivia Nelson, who presented my Potentate Jewel; and my handsome grandson, Maverick Nelson, who presented my Potentate Fez.

Our most worshipful Grand Master Don Kehler as well as the Grand Master line from the Grand Lodge of NC was also in attendance. It was an honor to have these traveling men at Oasis. This man, Mason, Shriner, husband, father, Papa, etc.... was overwhelmed with emotion by the Shrine Mason show of support.

The festivities that followed paid tribute to the hard work of our membership. I cannot fully describe the wow factor of the transformation of our temple into "Midnight at the Oasis." The title of our installation was our thought, and Debbie Burgess took it and ran a few marathons with it. She had a vision and a team of folks that brought that vision to fruition. It was way more than we had dreamed. The food, fun, and fellowship that ensued were beyond my expectations. Speaking of the food, the caterer allowed my sister Amina to "teach" him my mom, Alene Fadel's, green bean and rice pilaf recipes. My sister Jamie hosted me and our girls for a day of baking to make the Baklava for dessert. The entertainment was perfect for our group. It was obvious we all enjoyed our evening.

I am very humbled and honored to be your Oasis Potentate for 2024. I have many people to thank for supporting my Shrine journey.

First, I would like to thank my Shrine Dad, Illustrious Sir Johnny Burgess for all the support and confidence he had in me to do this journey to become the 129th Potentate of Oasis Shriners.

I would also like to thank my Oasis lineage Illustrious

Sirs, H. Mike Cook, William M. VanDresser III, J. Tom Price Jr. and M.E. (Gene) Morrison.

In addition, I want to thank long-time friend and brother, Illustrious Sir Todd Ham. He was master of ceremonies for my installation, and his organization was on point.

As you know I have been a member of the Oasis Band since I became a Shriner in 1980. I would be remiss not to mention my good friend Illustrious Sir John V. Elder. He had already been in the band several years and took me under his wing immediately. We have enjoyed miles and miles of fun together tooting our horns.

I would like to thank my wife, Sandra, for all her support for me and Oasis. She has never been too shy to ask someone to join our brotherhood.

I thank our two wonderful children who have grown up in the Oasis Shrine family: our daughter Alex Fadel Nelson, her husband Eric and two awesome grandchildren, Maverick, and Olivia; our son Shea Fadel II and his fiancée Anna Ek. Their encouragement has meant a lot to us.

We have chosen our slogan to be **"Flying High for Our Kids"** this year. I believe our facilities provide the best care available for our Shrine patients. Our Nobels go over and beyond all expectations to raise funds to provide that care. Oasis has the imagination to fly high and create the magic it takes to help our Shrine Children.

Lady Sandra's Butterfly Pin is a symbol of remembrance for someone special, specific to her is her mother, Carolyn Stewart. It also represents a metamorphous as the butterfly emerges from its cocoon with wings to fly. So do our Shrine patients after receiving our excellent care.

I would like to take a moment to reflect on 2023. My Fez goes off to Illustrious Sir Douglass Garland for the fantastic insight in having all the one-day ceremonials which welcomed 172 new shiners to our Oasis family. This was the result of eight ceremonies spread over the Oasis territory. The Oasis Divan had a great time traveling and welcoming these new Shriners. All efforts in 2023 were due to an unbelievable Oasis Team. All those involved please accept my sincere thank you for your support. I look forward to the continuation of this momentum. The amazing Jimmy Buffet themed Unit & Club Appreciation event celebrated the efforts of everyone. It was an incredible tribute to the success of 2023.

We all need to take the time to engage these new nobles and encourage them to be active by joining

a club and or unit and participating in as many activities as possible. Please make the effort to reach out to our new nobles and get them active.

Moving forward to 2024, we have another exciting year planned for Oasis. Our plans are supported by Oasis Team 2024 which includes the Divan, Potentate Aides, and Oasis office staff. To start off we have two weekend ceremonials planned as well as several one-day ceremonials on the calendar and more.

We invite all shrine clubs to let us know if they would like a one-day ceremonial held in their area. Ideally, we would need a minimum of at least 10 candidates in order to travel and make this happen. We also respectfully request at least 6 to 8-weeks' notice which is the minimum time needed to get all parties together.

January 27, we'll kick off the year with Oasis Club & Unit Orientation starting at 10am. February 9, the Potentates Valentine Ball will be at Red Fez Shrine Club. (See page 5 for details.)

Our first potentate trip will be to Louisville, KY for a Bourbon Tour scheduled for April 17-21. Tours are planned on Thursday and Friday as we go to several distilleries. Please refer to the Oasis Website for all details.

The Spring Ceremonial will be back in Mt. Airy, May 31- June 2, as everyone enjoyed a great time there last year.

We are also looking forward to Family Fun Day for our 17th annual event on June 15 at The Red Fez Shrine Club. We look forward to another one-day ceremonial at this event on Lake Wylie.

The Imperial Session starts on June 29 and runs through July 4 in Reno, Nevada. Many Nobles have expressed an interest in attending. We will have more information soon, so you can plan your trip.

The annual Potentate's Trip will be July 16- 21, in Punta Cana, DR. Our destination is the Finest Punta Cana Resort. This 5-star all-inclusive resort has something for everyone, including kids as well as an adults-only area. We hope you'll join us for a fun time in the sun. Our trip information is located on the Oasis Website.

Here are a few quick comments about additional important dates for our year.

Your Recorder

Hello Everyone, I hope this note finds you well. My next articles will focus on another hospital child, and I hope you enjoy reading their stories. This month's focus is on Krystal. The following information is readily available on

Shriner's Childrens website, but I am more than happy to bring it to you personally.

Krystal, originally from the Evansville, Indiana area, was born with [amniotic band syndrome](#).

The banding affected her right leg and right hand. Within the first month, the family was directed to [Shriners Children's St. Louis](#). Before her first birthday, Krystal had several surgeries and eventually an [amputation](#) to allow for a better [prosthetic](#) fit. When she was one, Krystal was learning to walk with her first prosthetic.

Krystal's care continued as she grew – specifically with her prosthetics – but care also included [surgery](#) on her right hand. Sometimes she traveled to St. Louis every couple months – or twice a year, depending on her needs and growth.

Getting back and forth to Shriners Children's St. Louis would have been difficult for Krystal's family, as her father worked long hours. So, they took local [Shriners](#) up on their offer for hospital transportation.

Dave Polen was a [Hadi Shriner Chapter](#) Driver Dad at the time. He met Krystal and her mom, Kelly, when Krystal was about six years old. It was an easy connection. The conversations were plentiful on their three-hour, back-and-forth trips to the hospital. Dave soon became more than a Driver Dad. He transformed into a friend. In fact, that friendship has lasted now for more than 30 years. Decades after meeting that "sweet little girl" with a shining smile and a prosthetic leg, Dave was a guest at Krystal's wedding.

As years rolled on, Dave became sick. Eventually, his doctors gave a diagnosis of end-stage renal failure. They said Dave would need dialysis for the rest of his life or a kidney transplant. Dave also got the warning that an available kidney might take five years to obtain.

It was at that point that Dave reached out to Krystal to get first-hand knowledge of the transplant process. Krystal's husband, Jeff, had recently received a living liver transplant that saved his life. Krystal had insight into organ transplantation that no one else in Dave's life had, at the time.

During that conversation, Krystal immediately identified an opportunity to pay back the favor that saved her husband's life. She quickly found out that she shared the same blood type as Dave and, without hesitation, offered to donate her kidney.

Dave was shocked – and hesitant. He didn't want to burden Krystal. She'd become someone he cared for very deeply. Dave knew Krystal was a mother to three with a full-time job.

However, Krystal wouldn't take no for an answer. She told Dave the kidney belonged to him, whenever he decided to take it. After a year on dialysis, Dave took her up on her offer. "Pack your bags, Dave. You're going to get a slightly used but new-to-you kidney," laughed Krystal.

Krystal gave Dave the gift of life on May 9, 2023, in Louisville, Kentucky.

"Since I was little, I've always questioned why Dave was so good to us, because he was so kind and so willing to help out with anything. I've always questioned why. What I've come to understand is that if I was born with one leg so I could give my kidney to Dave – then so be it," said Krystal.

"This is a gift I can't ever repay. I am so thankful! Now, I feel like I can do anything I want to do. I didn't realize how sick I was," said Dave.

Things continue to go well here at Oasis, and we would love to have you stop by and visit your temple. Take care until next month, and remember, the work you do for our fraternity and philanthropy is sincerely appreciated and essential to our hospitals and the children, like Krystal, that they serve.

In closing, I would also like to send out special thanks to the Nobles and Past Potentates throughout the years who have encouraged me as I moved up the Divan line to be elected Potentate. I am thankful for all the support everyone has given me and our awesome Divan Line as we continue to provide excellent leadership for Oasis Shriners in the years to come.

If you would like to have your Oasis Potentate or Divan members attend your clubs, units, or special events this year, please send an invitation to support@oasisshriners.org. We want to attend your events and provide support. We look forward to seeing each of you as we travel around the Oasis jurisdiction. Let's make 2024 a year to remember as we are **"Flying High for Our Kids"** in all we do!

Introducing your 2nd Ceremonial Master

Larry Dean Sanderson was born on January 3, 1970, in Charlotte, NC. Raised in Charlotte, he attended public schools. Larry met his wife Lady Dawn in 1986 and married in 1990. I am a proud father of a 28-year-old daughter (Madison Sanderson) who graduated from UNCC as a chemistry major and now works as a pharmacy analyst; and a 19-year-old son (Hunter Sanderson) who will soon go to UNCC to pursue his studies as an engineer. He was raised to the degree of Master Mason in October of 2023.

Professionally, I have worked at Alltel (now Windstream) Communications since 1998 to the present.

My Masonic journey began in 2012 when I asked Nobel Ronald Kenley how I could become a Mason. He was a mentor to me until his passing. I joined Long Creek Masonic Lodge in 2012 and have served as master of my lodge on two occasions. Furthering my Masonic education, I joined the Scottish Rite in 2014, attaining the 32nd degree of a Master Mason.

I entered the Oasis Shrine on 11/1/14 in Hickory, NC, and have been actively involved in various Shrine clubs and units such as the Metrolina Shrine Club, the Red Fez Shrine Club, and the Oasis Golf Club. I am also a member of the Past Masters Unit, Hillbilly Clan #13, and the Oasis Carolina Drifters.

I look forward to serving with Ill. Sir Shea and Team '24.

Food for Thought

Hello, I hope you're having a Great Day! I'm Sandra Fadel, wife of 2024 Potentate, Shea Fadel. I'd like to share a little with you.

We had a blast at Shea's installation, and we hope you did too. The meal was fantastic. The green beans were his mom, Alene Fadel's recipe. I've been asked by a number of people for the secret. It's not only delicious but so easy. The recipe is below.

Please be kind and place your words as though they're being spoken to you. It's so hard to please everyone and more importantly we have no idea what another is going through. Peace to you and your family. May God continue to Bless you.

Love your neighbor as yourself. Mark 12:32

Alene Fadel's Green Beans

2 - lg bags frozen whole green beans
1 - 15 oz can diced tomatoes - do not drain
1 - 8 oz can tomato sauce
1 - med onion slivered
2 tbs olive oil
Water

Braise onion in olive oil then add beans. Add water to cover and diced tomatoes and tomato sauce. Simmer until beans are cooked tender. S&P to taste.

bon appétit

Welcome these new Oasis Shriners

Thank you to all those who didn't let the weather "rain on this parade."

Changing Times!

Life is full of change. Everything about us changes. Change is inevitable. At Oasis we change leadership every January. The new Potentate changes appointments. We have new people doing old things. We know that changes occur simply by looking in the mirror. We do not look the same as we did two years ago!

John Stanley, Chaplain

Change is a part of life, and change seems to be happening more rapidly now than at any

other time in history. (Do you may remember when the gas station had attendants who filled your tank with gas, cleaned your windshield, checked your oil, and did it all as a courtesy? You didn't even have to pay for air.

We're experiencing change in our government, change in our economy, change in our healthcare, change in our technology. (It's now possible to take a picture of a check with your cell phone and then send that picture to the bank to make a deposit. Wow!) Everything else is changing: our churches, our schools, our government--the world around us is changing.

Most importantly, our relationships grow and change. One of the keys to healthy relationships is our ability to grow. Our relationships can grow and be more enjoyable rather than becoming stagnant. We learn to change to build healthy personal relationships, and solid marriages. And if we will let God work in our lives and remain open to change, our personal relationships can improve, and can be more of a joy.

This truth of changing for the good is also evident in our spiritual growth, our spiritual relationships. Our willingness to let God work, to grow, to change determines what kind of life we will experience, and what kind of impact we will make in the lives of our friends and families for the Lord. We have been given life and life to the full but we must let the Great Architect of the Universe work, we must to be willing to change frequently to experience God's abundant life.

In this 'changing' New Year, may we experience the love and fellowship of our brothers in a new and beautiful way. Blessings.

John Stanley, is Chaplain of Oasis, and Chaplain of South Atlantic Shriners. He served as Imperial Chaplain when Imperial Sir Al Madsen was Imperial Potentate. John can be reached at: jhstanley1965@gmail.com.

Oasis Clown Unit Bike Giveaway

Greetings Nobles and Ladies,

We would like to thank all the Units, Clubs, Nobles and Ladies, Businesses, also community members for all the help and contributions that have been made to make 2023 the best year for our Rodney Morgan Memorial Bicycle give away at the Circuses.

We are proud to announce that we were able to give away 91 bikes, which is the most we have ever done. We also had a lot more children with smiling faces, and not to mention the smiles they gave all of us. This year 2024, are asking for help again with raising the funds for the bikes and helmets. The costs have gone up, so we are asking for \$150 donation to cover a bike and helmet. We are still striving to meet 100 bikes to give away,

It was our great honored to have Illustrious Sir Doug Garland and Lady Leah as Clowns.

Also, it was our great honor to have our 2023 Grand Master of N.C. Kevin Fraiser made into a Clown as well. They were great helping us to sign autographs, give away bikes, and helping with our circus skit.

Fun was had by all. Without your help it would be very hard to put the smiles on the children and adults' faces.

In closing Thank you for all your support and help.

Sincerely,
The Oasis Clown Unit
