

DESERT DUST

Shriners International

Your Potentate

Hello, Oasis Shriners
We are getting cranked up to make it "HAPPEN" this year!

Yes, make it "HAPPEN"!

event. What a fantastic job nobles and ladies! Noble Donnie and I traveled to Mooresville to a fundraiser by Lake Norman Shrine Club and Mooresville Lodge #496 to help the families of the fallen officers in the Charlotte area.

Lady Sandra and I, along with Noble Donnie and Lady Kim, traveled to Smithfield, NC for Sudan's Spring Ceremonial. Sudan did a fantastic job for the weekend. Friday night was amazing. We arrived at the venue where all the shrine clubs in Sudan had volunteered to cook and serve the nobility dinner and dessert. We had an awesome time catching up with old friends and making new ones. The band started playing at 8pm and everyone had a great time. The ceremonial was Saturday morning, their ritualistic cast did a great job. Lunch was served to all attending. Then on Saturday evening they had an awesome buffet and that evening another band. Both nights they had a cash bar for the evenings, which was very reasonable.

We had a great weekend on the coast for Memorial Day weekend. Then returning home to get ready for Mt. Airy--Oasis's Spring Ceremonial. Thanks to all who attended the Mt. Airy ceremonial. What a great weekend it was. To begin, we would like to thank our First Ceremonial Master John Cable and Lady Carol; our Chief Aide Illustrious Sir Mike Downs and Lady Beth; and Potentate Aide Noble Dylan Rhodes and Lady Ivy for all their hard work, help and support for this weekend. Many, many thanks to Surry County Shrine Club and Surry County Mini Truckers for hosting the dinner Thursday night. Friday morning, we had almost 30 golfers at Cross Creek Country Club. The course was in great shape and challenging. What a fantastic day on the greens. Friday evening was awesome at Frog Puckette's house. With a wonderful barbecue dinner with all the sides and desserts plus a great band. Everyone looked like they were having a great time.

Saturday morning, we had a fantastic turnout for the ceremonial. It was my honor and pleasure to make Illustrious Sir John V. Elder our class Honoree for Mt. Airy 2024. I must say Illustrious

Sir John was totally surprised. Gotcha! We had a total of 38 new nobles joining Oasis. We had plenty of room for the Shrine Mart and lunch for the candidates. Leaving the school and heading down to the start of the parade I was able to visit with several of Oasis's parade units. We also had a new unit debuting for their FIRST TIME, the KartAttacks! They did a fantastic job in the parade. After their debut they were able to sign a few new members for their unit. We look forward to their growth.

Our next event, Oasis Family Fun Day--Seventeenth Annual Event and Second Annual One-Day Ceremonial, was held on June 15 at Red Fez Shrine Club. Pictures will be in our next Desert Dust issue.

With 38 new nobles in Mt. Airy and 12 new nobles at Oasis Family Fun Day, we have a total of 50 new nobles in Oasis. Please reach out to the new nobles and help them get involved.

So, at this time I'd like to thank everyone in Oasis for all you do to make all our clubs, units, and events happen so all our nobles can have a wonderful time.

Thanks again to our Oasis Divan Team for all their support to the Nobility.

Until next month, may God Bless you all, and in your travels.

Illustrious Sir Shea Fadel and Lady Sandra

From the year-end reports from Tampa, Oasis is only 12 members shy of becoming #1 again. Let me explain. Once all the new creations are counted, plus any demits to Oasis, less the NPD's and black camels, then we get our total. We created 172 new nobles last year, which got us close. If we have another year like last year--plus, plus--we could "MAKE IT HAPPEN!"

The Oasis Team asking you to "MAKE IT HAPPEN!" Go out and find that new Mason and ask him if he would like to become a Shrine Mason. Find that man that you think will be a good Mason and Shriner for our great fraternities. Then stand by him as he goes through the degrees to become a Shrine Mason.

All we are asking is that you "replace yourself" over and over again. We can do this--one Shrine Mason at a time!

July's quote of the month: *"Everything good, everything magical, happens between the months of June and August."* - Jenny Han. So, "July" is our magical time to grow our fraternity. Oasis nobles and ladies are doing everything they can to help find the next new Shrine Mason. What a great fraternity we have.

The second Saturday in May was a busy one. This weekend several clubs and units were conducting our annual paper sale fundraiser. My first visit was with the Oasis Band. Where I was able to play music with them for an hour. Then I traveled to Kings Mountain with Noble Donnie Wrenn to visit White Plains Shrine Club at their Annual Golf Tournament. White Plains Shrine Club raised approximately \$60,000 from this

Your Recorder

Hello Everyone, I hope this note finds you well. My next few articles will focus on our hospital kids, and I hope you enjoy reading their stories.

This month's focus is on Shrine patient Kennedy. The full article is readily available on Shriner's Childrens website, but I am more than happy to bring it to you personally.

Fourteen-year-old Kennedy learned how flammable some common products are after she sustained serious burns from a small explosion.

"I was using nail polish remover, and I had a lit candle nearby, when all of a sudden the fumes

caught and it exploded," she recalled. Kennedy sustained second- and third-degree burns on her hands, arm, thighs and stomach, about 13% over her body. She managed to smother the flames before an ambulance arrived to rush her to Shriners Children's Ohio.

Kennedy spent nearly two weeks in the hospital undergoing multiple skin graft surgeries and procedures under the direction of Shriners Children's Ohio Chief of Staff Sara Higginson, M.D., FACS.

"I remember when Kennedy first arrived," Dr. Higginson said. "She had significant burns across her body and we needed to get her into the operating room."

Dr. Higginson, along with support from occupational and physical therapy, nutrition, care managers and nursing, developed an individualized care plan for Kennedy. Higginson added that Kennedy's own perseverance was also a key part of her recovery.

"She's done remarkably well," Higginson said. "Every single thing our team has asked her to

do, she does without fail, and that's why she's healed relatively quickly."

Kennedy is already back at school and doing the activities she loves like cheerleading and playing the saxophone.

Kennedy sits in the inpatient unit at Shriners Children's Ohio

Kennedy said she hopes her story can be a lesson to families about how quickly an everyday activity can turn dangerous.

“I just want people to be more aware,” Kennedy explained. “I never thought something I did all the time could end up with me being burned.”

Common household flammable liquids:

- Cooking oils and sprays
- Nail polish remover
- Aerosol beauty products
- Hand sanitizer

The vapors or fumes from these products can ignite if near a flame or heat source like space heaters or a hot stove.

Things continue to go well here at Oasis, and we would love to have you stop by and visit *your* temple. Take care until next month, and remember, the work you do for our fraternity and philanthropy is sincerely *appreciated* and *essential* to our hospitals and all our Shriners' children and staff, like Kennedy, that they serve.

Food for Thought

Hello, I hope you're having a great day! I'm Sandra Fadel, wife of 2024 Potentate, Shea Fadel. I'd like to share a little with you.

As we approach Independence Day we prepare to celebrate the anniversary of the signing of the Declaration of Independence on July 4, 1776. It was, and is, significant that our leaders declared our independence. FREEDOM!

Freedom comes with a tremendous responsibility. On a personal level, as we wake up daily, we have the freedom to choose how we will address the day. We may wake up with the same challenges we had when we went to bed, but a new day allows the freedom to choose how we deal with those challenges. We have the freedom to see the glass half-full instead of half-empty. We have the freedom to choose joy over sorrow. I pray each of you freely chooses joy daily. Enjoy your 4th of July celebration. Peace to you and your family. May God continue to Bless you.

“I will walk in freedom, for I have devoted myself to your commandments.” Psalm 119:45

Thursday night fun

Surry Shrine Club hosted a party for the Divan and other guests during the Mt. Airy weekend. Ground steak sandwiches were served with potato salad. Ground steak is a local favorite, and everyone seem to enjoy it, but the banana pudding stole the show.

Additional thanks to the Camping Club for showing up and making this a festive event.

IT'S OFFICIAL!

Shriner's Creed

Recently, I had the wonderful privilege of participating in the Celebration of Life Service for our departed brother the dedicated Jim Beatty. And in that service, I was reminded of our Creed. Yes, Shriners have a creed! And, when we read the words of that Creed, we are reminded of how we should act. The first line

of that creed states,

“As Shriners we believe in God and that He created man to serve His purposes, among which is service to others in His name.”

Powerful words, and that is just the first line. When we were admitted into the Masonic Lodge, we were asked in whom we put our trust. Yes, we believe in God, and that God created us to serve others in His name. And, who are those “Others”? Principally, it is our patients being served at Shriner’s Childrens. But, we service others, too. The Children at our Masonic Home and our older residents at our Masonic

Home (Whitestone). Who else? What about the citizens living in our communities? *“Service to others in His Name.”* Oh, and how are we doing visiting our homebound brothers? *“Service to others”* does not mean that we must leave our hometown. The needs are great—everywhere!

Let us all be about looking after *Others*. Masonic Brothers and fellow Nobles? Sure. But our creed—in its first line—emphasizes that word, “OTHERS.”
