The Potentate's Message

Greetings Nobles and Ladies:

Mother Nature has not been kind to our friends in Texas and the Southeastern states. I am saddened at the death and destruction caused by these two hurricanes. Our hospitals in Houston and Tampa were well prepared and saw very little damage. They were there to assist with medical needs throughout the storms. Across the Nation, Masons and Shriners are volunteering in the clean-up effort, and collecting and forwarding much needed supplies to the affected areas. The members of our Fraternity are always ready to step up to the plate. I applaud those loyal Shriners. Please keep them in your prayers, as well as the victims of the storms.

August was a busy month for Lady Bobbie and

me. But it was also a very productive month. On August 23rd, we traveled to Randolph Shrine Club for the presentation of a check in the amount of \$25,000.00 for our Shrine Hospitals for Children from Clark Power Services of Ohio. August 26th found us at the Cabarrus County Car and Truck show, an annual event for the Cabarrus County Shrine Club, which raises thousands of dollars for our Hospitals. Then on to Murphy for Masonic Unity Program, which was well attended. It was great seeing so many Shriners from the Western part of the state, including Past Potentate David Sumpter and Lady Sandy.

On August 30th, I Lady Bobbie and I had the pleasure of traveling to the Greenville Shrine Hospital with Past Potentate John Sullivan and Lady Judy and her niece. We had a great tour of the Hospital meeting lots of special kids whose lives will be changed for the better by our wonderful Hospital.

On September 2nd, Lady Bobbie and I traveled to Colfax, North Carolina to attend the Motorcycle Ride-In for the Oasis Scooter Patrol. The weather put a damper on the event, but it was still well attended and a success for the Patrol.

Lady Bobbie and I were sad to attend the funeral of Lady Mary Richardson, the wife of Past Potentate III. Sir James Richardson of Wilkesboro. Later in the day, we were honored to attend the 100th birthday celebration of Hazel Bare, the mother of Lady Kay Perkins, the wife of the late

Noble Johnny Perkins. What a special occasion.

We were all prepared to attend SASA when the announcement was made that Hurricane Irma was likely to pass close to Myrtle Beach in the middle of our celebration. Out of an abundance of caution, the officials at SASA cancelled our yearly migration, which is always very special to Lady Bobbie and me since it comes at the time of our wedding anniversary, so here is a special shout out to the love of my life, Lady Bobbie. Happy Anniversary.

The next few months will be especially busy. The Potentates trip to Las Vegas coming up on October 1st will be a great time for all of you who plan to attend. We will come back in time for the Shrine Circuses in Fletcher and Concord, and will be at the Masonic Home for Children for their annual Homecoming. October 27 and 28 will find us at Oasis Headquarters for another Ceremonial. I hope you have lots of new members for our Fraternity. Get those petitions in early.

We look forward to our several events that will occur before years end. Seems like the time has flown past. But we have had fun and met lots of new friends, and seen many old friends. It has been a blast and will be one of our most favorite memories for the rest of my life. Thank each of you for allowing me this special time with all the hard-working Nobles and Ladies of Oasis.

Please continue to pray for our Nobles and Ladies in the affected areas of Florida, Texas, and many other locations that experienced the wrath of the Hurricanes. And for all your efforts to help and to send supplies to them, I thank you on behalf of Oasis Shrine and Shrine International. It is so special to me to serve as your Potentate in the largest, most generous, and best Shrine Center in the world and know you live the philosophy that We All Love Kids. We love you all and hope to see you soon.

Yours in the faith
Mike

The Recorder's Message

Greetings Nobles, Ladies and Friends of Oasis Shriners,

SASA-2017 Cancelled. Alright, the September "catapult" to Oasis greatness fizzled out on us due to expected severe weather. I hope everyone stayed safe and had no dire issues with relatives and friends in the direct path of the hurricane(s). SASA-2017 being cancelled was a bit of a let-down for me as I truly enjoy the comradery we are able to share with each other as members of Oasis Shriners and all the Nobles and Ladies from our Association's 19 other Shrine Centers. Just wait 'til next year!

Oasis Shrine Circus. Contribute and attend. Bring your kids, grand-kids, neighbors and friends. Wear your Fez. Fletcher, October 11th. Concord, October 13th and 14th.

Oasis Fall Ceremonial. Nobles, get your 'Petition for Initiation', download from our Oasis Shriners web-site, in your candidate's hands early and submit to Oasis as soon as you can for the October 27th and 28th Fall Ceremonial weekend at Oasis Headquarters. Every Oasis Noble and Lady should plan to attend.

Club and Units. Leaders, submit 2018 officer rosters. We want to finalize and print the Oasis 2018 Officer's Directory before Christmas. You don't belong to an Oasis Club or Unit? You, my Noble friend, are missing out. Joining is easy, just let me know directly if you need any help with that.

Membership and Dues. Nobles, in mid-September I received a fourteen page 'in the rears' report from our Membership Chairman and Outer Guard, Noble Joe Burris. These Oasis Shriners, who are not current with their 2017 dues, will be suspended for non-payment of dues (NPD) on December 31, 2017. The recent Dues Notice for 2018 Shrine year was mailed out from Tampa, FL in August, not September as I had previously expected. If your dues notice is for two years then that includes 2017 and 2018. Remember, Shrine dues are payable in advance

of the year they are for. Please don't run the risk of being suspended. If there is any doubt that you may or may not be current with your dues, please call or email the Oasis Shriners administrative office for clarification.

Oasis Shriner Administrative Office. Near the end of August, Lady Brittany Wright, our Oasis office manager and accounting guru presented me her notice to leave Oasis Shriners' employ. I hate to see her go as the Oasis office was humming along pretty, pretty good. She won't be going too far away from Oasis though, as her Father and boyfriend are each Oasis Nobles. She will be missed in the office none-the-less. Have no fear, Debbie is here! In early September, The Oasis Board of Directors was agreeable to hire Ms. Deborah Hammond as Lady Brittany's replacement. Ms. Hammond is very capable of Oasis' day-to-day administrative operations and book-keeping chores. She has a good heart for our Fraternal and Charitable interests. Ms. Hammond will take over Lady Brittany's Oasis phone extension and email accounts. So, give her a call, send an email or come by your Shrine Headquarters personally to welcome Ms. Hammond aboard. Cheers to Lady Linda, who is staying on as our Hospital / Patient coordinator and membership administrative liaison, and

new Debbie. They will be the recurring one-two administrative knock-out punch from your Oasis Shriners' office.

Respectfully Submitted,
Bob Saye

Linden Lodge Makes Donation

To all my friends at the newspapers,

On 6 September, the employees at the supervised living facility, Linden Lodge in Aberdeen, donated over three hundred new stuffed animals to the Shrine Children's Hospital. Emily Lowe (L) Ms. Christina Maness-Pederson, Supervisor, (C) helped Bill Loeser, President of Moore County Shrine Club, package the stuffed animals for delivery to the hospital. The stuffed animals are sure to bring smiles to the children receiving no cost care at the Shrine Hospital. Thank you Linden Lodge for your generous contribution to sick children.

SHRINERS INTERNATIONAL: Hurricane Harvey Update

Dear Fellow Nobles,

Our thoughts and prayers remain with our Nobles and Masonic family impacted by Hurricane Harvey. It has been widely reported that the storm has affected 50 counties and almost 46% of the population of Texas. While we do not have much information regarding the storm's impact in Louisiana, we can anticipate that some of our Nobles may need assistance there as well. Forecast models predict that Mississippi, Tennessee and Kentucky may experience significant rainfall and potential for flooding over the course of the next few days as the storm continues to move inland.

Shriners International stands ready to assist our Nobility in the aftermath of this tragedy. The Imperial Divan and Shriners International Headquarters staff continue to receive updates from the local Potentates and Divan Officers in the affected areas, who are in the best position to determine how and when we can best help. Some of our Texas and Louisiana Temples have already filled tractor trailers with water and other essential items to assist as necessary.

Essentially, it could be some time before we are able to get a full assessment of the damage and true scope of the impact. More Temples are reaching out every day offering to start drives for the collection of non-perishable items if needed. For any Temple (or Noble) who wishes to contribute to the relief effort, please be advised that we will continue to be in contact with the local leaders in these areas and advise of what items will cause the most relief in the days and weeks ahead.

As the core Masonic tenets of Truth, Relief and Brotherly Love remain in our sights, and on behalf of our Nobility and their families who have been affected by this storm, we thank you for your continued generosity and concern.

Yours in the faith,
Gary J Bergenske

TELEMARKETING FOR OASIS CIRCUS

This is to inform the Nobility that we have contracted with Etsell, Inc (Shrine Services) to handle the telemarketing for our circus again this year. The telemarketers will start in April and we have sent them an updated listing of Oasis Nobles and their telephone numbers so they would not call our members. If you have multiple telephone lines or run a business, then you may be called by the telemarketers. If you do receive a call, politely inform the caller that you are an Oasis Member and that you will be contributing through our Circus Mom & Dads Program which is for Oasis Shriners and their family.

We have had several people contact local Shriners to see if this is a legitimate operation. This is very much supported by Oasis and was approved at the stated membership meeting at the beginning of the year. If you are asked about this, please let the interested party know that this is an Oasis Fundraiser and that Etsell (Shrine Services) sends runners out to collect the contributions from participants after they agree to contribute to the circus project.

If you have questions, please contact **Noble Rodney Morgan at (704) 985-5253**. If you need to leave a message we will get back in touch with you.

Dear Nobles and Friends of Oasis Shriners:

It is circus time again and we have planned another great Oasis Shrine Circus with Jordan World Circus.

As in past years we are again asking you to be a:

- Circus Mom & Dad: For a \$20 contribution, this entitles you to 2 free adult tickets.
- Circus Grandparents: For a \$40 contribution, this entitles you to 4 free adult tickets.
- Circus Ringmaster: For a \$80 contribution, this entitles you to 8 free adult tickets.

Each \$20 contribution gets you two adult tickets to any circus performance and as many kid's tickets as you want. If you can't use your tickets, we will distribute them to children and adults in other non-profit organizations who cannot afford to attend the circus. Tickets at the door are \$12 for 13 years old & over, 12 years old & under are free.

Again, this year we will be represented by a telemarketing company, Shrine Services. Please understand they are to omit all Oasis Shriners from their calling list. If they call you, **tell them you are an Oasis Shrine member and have them remove your name from their list**. Explain that you will contribute directly to your temple through the Mom & Dad Program.

No tickets will be mailed after October 1st, 2017. Additional tickets are available at Oasis Temple. All contributions will be recognized in the Desert Dust. Thanks for your continuing support of the Oasis Shrine Circus!

NC Agricultural Center, Fletcher, NC - Wednesday, October 11th at 4:30pm & 7:30pm
Cabarrus Arena, Concord, NC - Friday, October 13th at 7:30pm
Saturday, October 14th at 2:00pm & 7:30pm

Shriners Helping Masons

Dear Nobles,

I and other Shrine leaders have received inquiries from around the world as to how Shriners can help provide relief to Masons and Shriners who have been impacted by the incredible flooding damage caused by Hurricane Harvey. The floodwaters are receding, but water still covers many roads in the Houston and Beaumont areas as of the end of the Labor Day weekend. Therefore, the opportunity to assess the damage and provide assistance for established need may still be days away. We do know that there are many within our Masonic family, who have suffered severe losses.

HERE'S HOW YOU CAN GIVE:

Make checks payable to "MSA Disaster Relief Fund" and send them to:

**Masonic Service Association
3905 National Drive, Suite 280
Burtonsville, MD 20866.**

Please write on the memo portion of the check, "Texas Disaster Appeal" to be sure that the money is specifically designated for the relief of Texas Masons.

In determining how to provide effective and meaningful help to Shriners and Masons in the areas of Texas that suffered damage, Shriners International, Shrine leaders in Texas and the Grand Lodge of Texas have determined that the best and most effective way to provide financial assistance to Texas Masons and Shriners is to use the charitable arm of the Masonic Services Association of North America ("MSA") which has been specifically established for the purpose of obtaining tax deductible donations and to effectively distribute and account for the funds provided to Masons and Shriners who receive assistance. You should know that the entire gross donation will be sent to the affected jurisdiction. MSA deducts nothing for administrative expenses or expenses of any kind. Therefore, when you give \$100.00, \$100.00 gets to Texas Masons!

Shriners International is working closely with the Grand Lodge of Texas in using its communications capabilities to encourage Shriners who wish to assist Masons who have suffered Hurricane related and flooding damage to contribute using the website established by the Grand Lodge specifically for Hurricane Harvey relief. The link to that site can be found on the Shriners

International website, Shriners Village and WebFez.

I am proud to report to you that Shriners are also providing important assistance to area residents. For example, Al Amin Shriners, Corpus Christi, Texas, currently serves as a center for Federal, State and Local relief efforts. A number of agencies have set up temporary headquarters on the grounds of Al Amin Temple. Arabia and El Mina Shrine Temples are working closely together in the distribution of cleaning supplies and other essentials. Other Shrine Temples and individual Shriners have made numerous contributions of various materials to assist in the general relief effort.

Shriners and Texas Masons are using the trowel to spread the brotherly love and affection that is an indispensable part of our masonic family. We are taught that dependence upon one another for protection and security permits members of our fraternity to fulfil our duties of reciprocal love and friendship. Therefore, Shriners and Masons joyfully and immediately respond when they can provide relief to a brother in distress. As a proud Shriner, we hope you will join us in providing what you can to assist these brothers in need.

Birdies for Charity

Dear Nobles,

Our Birdies for Charity competition is underway! Wondering how your favorite hospital scores among the rest? Here are the top five hospitals that have received the most donations so far in the challenge:

- | | |
|-----------------|---------------|
| 1. Tampa | 4. Galveston |
| 2. Philadelphia | 5. Greenville |
| 3. Houston | |

Don't see your favorite hospital listed? Ramp up your donations! Now through November 1, 2017, golf fans nationwide can guess the number of birdies that will be recorded during the 2017 Shriners Hospitals for Children Open while supporting life-changing care for kids.

HOW YOU CAN HELP:

Spread the word.

Tell your friends, family and anyone else who is interested in helping Shriners Hospitals for Children that Birdies for Charity is underway!

Raise funds.

Encourage friends and colleagues to join you and give to your hospital at lovetotherescue.org/birdies-for-charity or print and distribute the offline donation form for mail-in donations.

Supporters who guess the correct, or closest, number of birdies will automatically be entered to win an ultimate Las Vegas getaway, which includes: round trip airfare for two (2) to Las Vegas, Nevada for the 2018 Shriners Hospitals for Children Open, three (3) nights hotel accommodations, VIP experience at the tournament during the 3rd and 4th rounds, two (2) tickets to a Las Vegas show, and a meet-and-greet opportunity with the 2018 tournament champion.

Other great prizes include autographed tournament pin flags and tournament apparel packages that will be given at random to the next closest guesses.

Nobles like you make it possible for us to provide advanced medical care to our patients regardless of the families' ability to pay. I challenge each of you to find a way to help raise funds for Birdies for Charity.

Good luck!

Yours in the faith, Gary J. Bergenske, Imperial Potentate

I AM R U Recognition Program

A series of rewards and recognition has been developed to generate excitement and exposure for the I AM R U new noble referral program. During Imperial Session, Noble Lloyd Wells referred 71 individuals, each of whom has now received several communications from our office of membership development outlining the membership path and providing information on the Shriners fraternity and Freemasonry. As a reward for referring the highest number of individuals to the program during Imperial Session, Noble Wells received a check for \$100.

Additionally, because Noble Wells' referrals gave Kazim Shriners the highest number of referrals at Session, their temple received a check for \$250 and a Rush Night Survival Kit – which included several membership resources, including posters, brochures and other materials to assist with a future Rush Night at the temple.

Now that the referral program is in full swing, the remainder of the rewards to be distributed this year will be based on new member CREATIONS, rather than referrals. There are some pretty exciting things planned:

- Each month, until Imperial Session 2018, the noble who top-lines the most petitions for new Shriners created will receive \$100, and recognition in *Shriner Magazine: Pride and Tradition*. His temple will also receive one of the aforementioned Rush Night Survival Kits.

- Additionally, the same magazine recognition with a \$500 reward will go to the noble with the most top-lined new creations each quarter. This will also be accompanied by a ticket package for Shrine-sponsored events such as the East-West Shrine Game®, a special tassel holder, an Imperial Potentate's Medallion and a Silent Messenger statue with a custom-engraved plate.

- And, at the end of the Imperial Year (July 2018), the noble top-lining the most new creations will receive \$1,000, accompanied by magazine recognition, a Shriners International/Masonic apron, a ticket package and an Imperial Potentate's Medallion – all of which will be presented at Imperial Session 2018.

- Also to be presented at Imperial Session, the temple showing the highest membership gain (by percentage) will receive \$1,000 and special recognition in the magazine.

To promote this program, every temple (in the U.S., Canada and Puerto Rico) will receive a limited edition vinyl banner for display, 25 I AM R U lapel pins and 100 prospect referral cards, to help them be successful.

As you can see, Shriners International is committed to investing in membership development. It's up to each individual temple to support the program, encourage their nobility to refer their friends and follow-up accordingly.

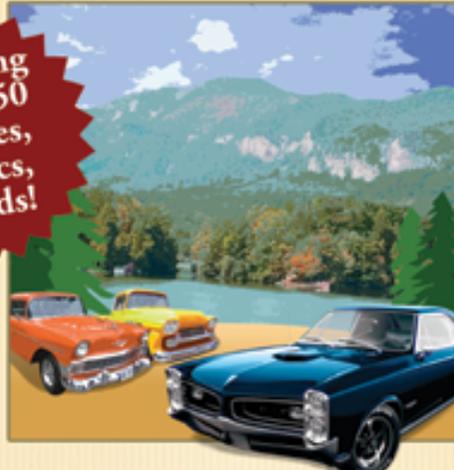

Always remember that it is our job as Shriners to recruit more Shriners, make more Masons and refer more patients to our hospitals.

Shriners Hospital Helps Young Patients Celebrate Solar Eclipse

Greenville Shriners Hospital patient Lylan and her family travel from Florida regularly to receive care from Dr. Pete – so when she was due for an appointment in August, Lylan’s mom decided to make the most of it by scheduling her visit for August 21 so that they would be in the South Carolina for the eclipse. The family joined other Shriners patients in observing the historic event during a celebration here at the hospital.

"...and the Runner Died on Third."

Maxie Dunnam, an author and former editor of the Devotion Book, Daily Word, reminds us that in baseball there is a bit of jargon that is a challenging image: *"The batter died on third"*. And, Rev. Dunnam asks, *"Wouldn't a stranger to baseball have problems with that?"*

Imagine what some person who knew absolutely nothing about baseball would think if they were listening to someone calling the game, and the announcer said, *"And the batter struck out, and Jones died on third."*

It's a challenging image because it's suggestive of what happens in life. Because of a lack of love, many of us "dies" on third. We almost make it to home plate, but – due to circumstances – we do not make the effort. When we "die on third", we think that there is no one to share our hopes, no one to encourage our dreams.

Sometime ago I saw what "we think that there is no one to share hopes and no one to encourage dreams" looks like in real life. A young woman stood beside a casket. She was looking down at her brother who had died after an illness of over twenty years! She wept and wept and wept.

Later I asked her: "After such a long term illness, was there ever a day when you did not think that your brother would awaken?"

She responded: "I do not remember there being a morning when the first thing that I thought of was: *"Is this the day that the Long-Term Care Center calls and says we need you to come immediately because he woke up!!"*

But, now here she was at the funeral home...the HOPE of his healing in

this world gone. Every day for over twenty years, this is young woman hoped for the physical healing of her brother.

Love never regards anyone or anything as hopeless.

The Bible says that love bears all things, believes all things, hopes all things, and endures all things. (First Corinthians 13).

"Love hopes all things." One author (Barclay) writes: *"Love never regards anyone or anything as hopeless."*

Love endures all things. There are a variety of different translations of this. "There is no limit to love's endurance." "Love endures whatever comes." "Love always perseveres." "Nothing can happen to break love's spirit."

Wow! Listen to that...*nothing can happen to break love's spirit.*

The sister, after spending time at the funeral home with her brother said, "You and I know that this is not the end. We will be back together; we will be re-united just not the way I anticipated. Not on this earth."

WOW! The commentator, Barclay is right on: "Nothing can happen to break love's spirit".

So, we're back to this amazing affirmation: Love endures all things. Nothing can happen to break love's spirit. A love for all seasons hopes all things.

"And now faith, hope, and love abide, these three; and the greatest of these is love."

Shrine Hospitals For Children's Forever Footprint Program Receives Donation Through Randolph Shrine Club

On September 23rd, executives from Clarke Power Services, Inc. of Cincinnati, Ohio traveled to Randolph Shrine Club to present a donation to the Shrine Hospitals for Children's Forever Footprint Program. The \$25,000.00 donation will be a huge boost to the Greenville Hospital program, which addresses limb deficiencies in children, whether it be from a birth defect or from trauma. Through this special program, the Hospital makes a plaster imprint of any limb that is to be amputated, which is presented to the family as a keepsake, assisting in their grieving process and a gradual acceptance of their loss. The program emphasizes, through their counselors and Child Life Specialists, that amputation is not a taboo subject or something to be ashamed of.

Clarke Power Services, Inc. is a company that specializes in fleet maintenance of small, medium and large trucks. They have a presence in seven states with 25 locations, with one location in Greensboro, NC. They have a long history of making donations to charities and non-profit organizations. The major players in the company decided to pick, through an application process, a couple of charities that they felt were in keeping with their philosophy. Their main focus was on children. Shriners Hospi-

tals for Children was an easy pick, fitting all of their criteria for consideration.

Noble Tommy Beeson accepted the donation for Randolph Shrine Club. Noble Bucky Jernigan was very instrumental in obtaining the information and, working through Juris Barzdins at the Greensboro location, assisted with the application process. Randolph Shrine Club has a storied history of hard work to raise money for our hospitals, and this is just another example of the dedication of these Shriners who truly project the attitude that We All Love Kids.

Illustrious Sir Mike Neaves thanked Randolph Shrine Club for their work to secure the donation, and praised Clarke Power Services, Inc. for their generous donation to the Greenville Hospital. Several members of the Oasis Divan were present to participate in the presentation.

Good News from Shriners Hospitals for Children – St. Louis

Support Madelyn's Trip to the SHC Open in Las Vegas!

Madelyn Hubbs, one of our most incredible patients, has been selected as one of 22 patient ambassadors throughout the Shriners Hospitals for Children system to represent our the St. Louis hospital at the 2017 Shriners Hospitals for Children Open in Las Vegas, Nevada.

Madelyn will serve as a standard bearer throughout the weekend, carrying the scores of professional golfers as they compete in the tournament and making memories that will last a lifetime. This is a rare "inside the ropes" opportunity at a PGA TOUR event to meet and interact with the pros, patients from across the country, Shriners, and the entire Shriners Hospitals community.

As part of her participation in the tournament, Madelyn's story and photo will appear in the tournament program, and her information will be shared with the Golf Channel, which will televise the tournament nationally, reaching over 700 million homes across 240 countries worldwide!

About Madelyn

Madelyn Hubbs was born unique. Her distinctive red hair and beautiful smile can light up any room. She goes horseback riding, enjoys reading and riding her bike, and competes on her high school swim team and co-ed water polo team: and she does it all one-handed. Born missing her entire left arm, Madelyn doesn't let her physical difference hold her back. Displaying a confidence that most adults don't have, she is unafraid to attempt any activity, challenge, or obstacle - proving to others that anything is possible.

Friendly, caring, helpful, and always cheerful, Madelyn captures the hearts of everyone she encounters.

Madelyn is primarily supported through the Occupational Therapy Department at Shriners Hospitals for Children – St. Louis. To thank the hospital for the support and treatment she receives, Madelyn volunteers to speak at disability awareness and anti-bullying programs, helps out during hospital events and activities, and even hosts her own fundraisers and toy drives to benefit the hospital.

Madelyn's family, mom Melissa, dad Jeff, and brother Kyle, are also dedicated members of the Patient Ambassador Program with Madelyn. A few years ago, Jeff showed his commitment by becoming a Shriner.

Please visit <https://donate.lovetotherescue.org/fundraiser/1052521> to donate TODAY to help us send her to the 2017 Open so she can show the world how Shriners Hospitals have helped transform her life.

NASCAR Legends Visit Patients

NASCAR legends Kenny Wallace and Ken Schrader stopped by the hospital on Tuesday, August 22 to greet patients. They brought up-and-coming driver Gordy Gundaker and his dirt track car with them. Some patients even had the opportunity to climb in the race car!

The kids received checkered flags and signed photos of the drivers. KMOV Channel 4 (St. Louis' CBS affiliate) reported on the event. All of the drivers are from the St. Louis area and they continue to drive in the dirt track circuit.

A special thank you to the Decatur Shrine Club of the Ansar Shriners for helping bring the drivers to our hospital!

A RESOURCE FOR SHRINERS INTERNATIONAL TEMPLE PR CHAIRMEN

Brought to you by the Imperial Public Relations Committee

I've been told we can no longer use the word "free" in describing Shriners Hospitals for Children's care. Why is that?

The words we choose make a difference! One of the keys to successfully raising awareness and increasing understanding of both Shriners International and Shriners Hospitals for Children is consistency and clarity in our messages.

Accordingly, we stress the importance of having "one look, one voice" and of using approved phrases, definitions and descriptions. This is not done to limit anyone's creativity or to enforce some sort of rigid format. Consistency is an important element in successful marketing and branding, and can make a substantial difference in the effectiveness of campaigns.

An Important Distinction

One of the phrases we continue to try to eliminate is "free care" – and here is why: While, because of the generosity of Shriners, corporations and the general public, Shriners Hospitals for Children is able to provide expert, quality care to our patients, regardless of their ability to pay, this care is not free – it has a huge cost. Providing free care is not our mission. Our official mission is to provide the highest quality care to children. Approximately 85 percent of the organization's multi-million dollar operating budget is spent in direct support of the organization's three-part mission of patient care, research and education.

For many people, the phrase "free care" means charity care, which may be considered sub-standard. This is not a concept we want to be associated with; we want our patients to choose our hospitals because they believe they will receive the best care possible.

It is critically important that everyone use our official messages and phrasing, especially as we are accepting third party pay for our care. We must be able to communicate that while the way we conduct business has changed, our mission has not. It is imperative that we stress the expert, quality care provided at Shriners Hospitals for Children, **rather than the cost.** The consistent, continuous references to free care can lessen the value of our services in the minds of referring physicians and potential patients, and be detrimental to the clarity of our mission of improving the lives of children.

Using the correct words and phrases will help you to be an effective participant in an exceptional mission and give you the ability to directly contribute to changing the lives of children around the world. Each and every one of our small actions becomes amplified when joined with thousands of others who are communicating with One Look, One Voice. And in that way, our mission – and your role in it – becomes much bigger than a brand.

WATCH PARTY

A Touchdown For Member Recruitment

Looking for a fun way to engage new members? Invite your friends, neighbors, the guy at the hardware store, his friends and neighbors to a WATCH PARTY for one of the nation's top college all-star and NFL Draft recruitment games, the East-West Shrine Game® benefiting Shriners Hospitals for Children®. As Shriners, this is your East-West Shrine Game, so make it part of your membership campaign. Recruit local football fans to join your team of nobles. **It's simple and fun! Start here:**

Pick a location, a temple or recreation center, where you can all watch on Jan. 20 the live game television broadcast on NFL Network at 3 p.m. EST (check local listings for channels). Create a pot-luck list of your favorite tailgate snacks and meals, or organize a cook-off.

Call your local sports restaurant and make a group reservation for Jan. 20 to watch the game live at 3 p.m. EST on NFL Network. The best part? They do all of the cooking! Talk with potential new members over deep-fried goodness and cold drinks. Kick-back, cheer for your favorite college all-stars, debate NFL Draft picks, and enjoy a membership WIN!

We can help: let us know that you are planning a Watch Party on Jan. 20. In return, we will provide a Watch Party package to help you promote your event. Package items include game posters, brochures, trivia questions and fun giveaways. Call us at 813-281-8686, or contact us by email at EastWestShrineGame@shrinenet.org.

Share your favorite Watch Party moments with nobles from across the world! Send us your Watch Party success stories and event photos by email to EastWestShrineGame@shrinenet.org, or share live on Twitter using #ShrineGame.

Watch Party Success Stories:

Arab Shriners hosted over 85 members, friends and families at their Watch Party, which featured a chili cook-off competition judged by three local high school coaches who coached in the Kansas Shrine Bowl Game. The event was a win for Arab Shriners, who gained 6 new nobles!

Abou Ben Adhem Shriners hosted over 600 people, including nobles, ladies and local community members at their Watch Party, which featured a "Shrine Show". At the Watch Party, each unit hosted a booth with unit information and took part in a booth decorating competition, as a fun way to connect with potential new members. It worked. Abou Ben Adhem gained 35 new members from this event, and anticipates even greater success this January with their 2018 Watch Party.

Mansfield Shrine Club hosted 30 people at their Watch Party, held at a popular sports bar and grill. The Club's Watch Party encouraged membership and served as a fundraiser for the Mansfield Shrine Club's transportation unit. The Watch Party sparked interest with a local news channel, who televised the event as a feature story. In addition to broadcasting Shriners Hospitals for Children's mission and what it means to be a Shriner, Mansfield Shrine Club gained 3 new members!
