Your Potentate

Nobles and Ladies, I hope you all are doing well and have had opportunities to get out and meet with your respective clubs and units for the

new year. Lady Leigh and I have been busy traveling around and visiting several clubs and units during January/February. We have visited Gaston, Crowders Mountain, Lake Norman, Metrolina and Cherryville Shrine Clubs as well as the Shriners on Bikes and Keystone Kops units. Thank you to the clubs and units for your generous hospitality and warm welcomes.

February was off to a great start with the annual Club and Unit Officer Orientation training session which was a great success. PGM of Michigan Noble Bob Conley and Lady JoNeil joined us for the day and presented a session on changing our mindset as leaders of our organization. To those of you who were in attendance, I hope you enjoyed the day and left with some valuable information and advice. I would like to thank Noble High Priest and Prophet Chris Hall and his crew for executing such a well-planned event.

As noted in my previous article I want to focus on a few guiding principles as we travel through this year of 2022. The first being "Friendship." The 1921 version of the Encyclopedia of Freemasonry states that Friendship is a "peculiar and true Masonic virtue and has been adopted as one of the precious jewels of a Master Mason and descends into brotherly love and personal affection." It is my hope that we will all strive to practice this virtue with all Masons and Nobles as we carry out our duties and conduct our business and functions.

We have several Shrine functions and meetings coming up soon. Saturday March 19, we will be taking the Divan to The Land of the Sky Shrine Club for our March Divan business meeting. This is an opportunity for nobles in areas away from the Charlotte region to attend a business meeting if they so desire. Meeting will begin at 10:00am.

Your Divan and elected SASA representatives will soon be representing Oasis at the Spring SASA meeting in Charleston SC (March 25-27) where we will learn more about the Fall SASA meeting in Myrtle Beach SC and our position in the SASA parade line up.

We are planning a night with the Gastonia Honey Hunters Baseball game on Saturday May

21. This will be a family fun event where Oasis Shriners will be recognized during the game for the public and spectators to see who we are and promote what we do. Mark your calendars, bring the family and more info will follow in the next edition of the Desert Dust for ticket sales, etc.

Our Spring Ceremonial is being planned for June 3-5 in beautiful Blowing Rock NC. Chetola Resort will be the host facility. Schedule of events will be published soon, and you can now make your room reservations at any time with the local hotels of your choice. Ceremonial and Chetola Resort information are printed elsewhere in this publication.

As we progress through 2022, please take the time to review the calendar/schedule of events found elsewhere in this publication, on the Oasis website and the Oasis phone app.

As we go forward I just want to encourage you all to practice and use the virtue of "Friendship" with all your fraternal nobles and brothers so that we may continue to strengthen our organization.

Illustrious Sir Tim Daniels and Lady Leigh

Lady Leigh's Oasis Sunshine Fund Drawing Scentsy Gift Basket

We will have a drawing for a Scentsy Gift Basket on Saturday, November 5, 2022, at the Fall Ceremonial to be held at the Oasis Headquarters. This basket is valued at \$350.00 and is filled with many Scentsy Home and Body products. Tickets, \$5/each or 5 for \$20, are available at the Oasis Headquarters office, at any Oasis event and from the Divan Ladies. There is also a link on the Oasis Shriners Website at www.oasisshriners.org.

All funds will go to the Oasis Sunshine Fund, which is used to assist Shriners, who may need assistance to continue their membership with Oasis Shriners.

Your Recorder

Greetings to All Nobles, Ladies, Friends and Supporters. As always, I want to personally thank each of you for being a part of Oasis. Without you, none of this would be possible.

I hope that several of you reading my article this month were able to attend the Oasis Club & Unit Orientation on Saturday February 12th. This was a mandatory attendance for all officers and their ladies to obtain the latest updates on issues and to receive their booklets and pins. The past Grand Master of Michigan and his Lady gave an uplifting and positive message to all.

The next weekend, we had the pleasure of attending the 19th Annual Shriners Drag Racing

& Hot Rod Expo at the Greensboro Coliseum. This event is put on by Noble Jim Turner and his team of Shriners that works to bring awareness and raise funds for Shriners Hospitals for Children. The coliseum was filled with classic cars, hot rods, drag cars and auto parts.

Professional auctioneer Jimmy “Big Daddy” Shore once again donated his time to perform a live auction that raised an additional \$2,000. Jimmy has done this every year and goes around to attendees collecting items to be sold. This year was another success, and we look forward to getting the total of money raised. Great job Noble Jim!

In my last Desert Dust article, I shined a spotlight on Oasis leadership the Captain of the Guard. This month we move up the table one position to the Oasis Marshall. That position is currently held by Noble Jimmy Owen. Jimmy O and his wonderful lady Rhonda came over to Oasis a few years ago after starting his Shrine journey several years ago at Amran Shriners.

The main function of the Marshall for years was to organize Divan members at events and to assist the Potentate and First Lady with functions. When Noble Jimmy O was put on the Divan by Illustrious Sir Tommy Helms, he changed those duties to include heading up all Oasis fraternal fundraising, excluding the Circus. He also assists other Divan members with duties that vary from one event to another.

Before coming on the Divan, Illustrious Sir Bill Carter asked Jimmy O to head up an Oasis golf outing. That first golf outing under Jimmy’s leadership, became an annual event. The two years in this current Divan position, he has run the Oasis Golf Tournament. He is currently working on the Oasis third annual golf tournament, to be held this fall. The past two years have been a sellout giving Oasis even more public exposure. If you feel you can assist in anyway or want any additional information, please feel free to contact Noble Jimmy Owen at jowen@oasisshriners.org or just give him a call at 919-730-3076.

I always like to close by remembering to thank GOD for all his glory, enjoy your family, stay safe, and be thankful every day for what you have and where you are. Hope to see you at our headquarters or at an Oasis function soon. Until next month,

YITE,

The Masonic Home for Children at Oxford is North Carolina's First Children's Home.

The Mission is to provide a safe, nurturing home for children in need with opportunity to maximize their potential.

The children often have challenges because of the traumatic situations they have endured. Often they are moved from School to School which makes learning more difficult, affects how they feel about themselves, and leaves them feeling alone.

MHCO programs emphasize the Foundations of Success demonstrated over its storied history; Education, Vocation, Spirituality, Recreation, Responsibility and Respect.

MHCO is North Carolina's first children's home and exists for one purpose — to help children who need a stable, caring and loving home. We do not replace a family — we provide.

We teach, guide, nurture, and share, focusing on life both at and after MHCO, so we can help a child determine his or her own path for the future. Our state licensed and nationally accredited home uses a family-living model that provides our children with individual living spaces, essentials needed for daily living, support if they have special needs, and a promise for full development and learning, from infant to young adulthood.

Oasis Legion of Honor speaks out

Submitted by Noble E. Wrenn, Secretary

As we look out we see the birds fly free and Old Glory waving. For this we thank Harry Truman, Gerald Ford and Ronald Regan. We all know they were past Presidents, but they were also Shriners.

We walk our streets like Buzz Aldrin walked the Moon. John Edgar Hoover walked as well—to raise money for our kids. As some, like Colonel Sanders and Dave Thomas, were in the kitchen, some of us were in training to protect our wonderful country. We know Caleb Bradham, a pharmacist from North Carolina, made Pepsi Cola...and he went to boot camp to make us a strong military to serve our country.

As we served our country, Arnold Palmer was playing golf and serving his Masonic and Shrine brothers. Mel Blanc might ask in his Sylvester the Cat voice, “Where is my military Shriner brother?” And Harry Houdini would reply, “He hasn’t disappeared from his Shriner post.” Harry would add that the Oasis Legion of Honor has not disappeared! We are a group of veterans formed to support our mission as Shriners. From all branches of service we share one common goal. Not a parade unit, but, yes we do parade, meet once a month, share fellowship and plan a mission to raise money for Shriner Kids. We also keep in touch with today’s active military.

Can I call myself a veteran?

Yes, just recently signed legislation allows you to call yourself a Veteran. During the December 2016 transition period, President Obama signed H.R. 6416, a bill that says National Guard and Reserve retirees who had zero active duty time are now eligible to be referred to as Veterans.

It is permissible to be part of another club or unit and be a member of the Legion of Honor. Show your pride in our country and your service -- come and join our band of brothers. Become a member of the Oasis Legion of Honor.

The Oldest Living Shriners Hospital Patient Turns 103!

Irene Hand Roberts was born on April 28th, 1917, at her grandmother's restaurant and boarding hotel in McLaughlin, South Dakota.

In July 1923, at the age of six, Irene developed what was called infantile paralysis, but is now known as polio. Her polio was treated at Shriners Hospitals for Children - Twin Cities in 1923, when Irene spent months as an inpatient.

As part of her 103rd Birthday celebration staff and patients from Shriners Hospitals for Children along with Imperial Potentate Jeffrey Sowder put together this birthday message. We love being able to see her reaction as she watched the video on her birthday!

Potentate Tim Daniels

Dear Potentate Daniels:

This year our hospitals and the Shriners Fraternity will celebrate two milestones. For 150 years, leaders from throughout the nation have come together as Shriners to invest in their communities. It was a mere 100 years ago when our Shriners took a bold step to create our first hospital in Shreveport, LA. Since that time, over 1.5 million children from around the globe have found compassionate and comprehensive care in our hospitals and medical centers.

As the Greenville hospital begins to contemplate its 100th anniversary coming up in 2027, we want to applaud you and your Nobles for their impact on our hospital in 2021. The pandemic remained a challenge, but the hospital continued to fulfill the century old commitment of caring for kids regardless of a family's financial and insurance status with the support of Oasis. Last year the Nobles from every Temple throughout the six states our hospital serves joined forces and raised \$2,232,040 to care for the children and families who rely on the Greenville Hospital! The Oasis Temple, its clubs and units contributed **\$325,200.20**.

Here are just a few statistics highlighting your impact here in Greenville:

- ❖ Treatment for children from 32 states and 10 countries
- ❖ 1,071 life-changing surgeries
- ❖ 6,532 custom prosthetics and orthotics
- ❖ 855 Motion Analysis Studies
- ❖ 20,507 rehabilitation procedures

Thank you for the incredible effort the Temple, its Divan and membership put forth to ensure the Greenville Shriners Hospital provides life-altering care to every child. Thank you for holding fast to the ideal that was the foundation of that first Shriners Hospital 100 years ago. Oasis and its members remain a vital part of our hospital's success and an eternal partner in the legacy of caring at Shriners Hospitals for Children.

Sincerely,

William Munley
Administrator

A Bit Like Pizza!

Pizza! Pizza may be one of the few foods that almost everyone seems to enjoy. And, there are a variety of Pizzas.

There is a pizza for the vegetarian, a meat-lovers pizza, Hawaiian pizza, and regular crust, stuffed crust, thin crust as well as deep dish. There are pizzas cut into triangle slices. Wow! So many choices!

Sometime ago we 'discovered' pizza cut into squares—not triangles. We also like a meat-lovers pizza, but without sausage and pepperoni. We don't sit in judgement of those who like their pizza cut into triangles and covered with pepperoni. Nope! Nor do we judge those who like mushrooms on their pizza.

It is a matter of personal choice. What we like depends on a number of factors. No matter our personal choices, pizza is still good. We were with a group of six people recently. Everyone ordered a different pizza. One couple even split a meat lovers and Hawaiian Pizza half and half. Pizza pleases most everyone, regardless of the individual taste.

This is what our personal religious belief does with our faith. We accept the individual 'where' he or she happens to be. It may not be our place to attempt to convince another that they should believe what we believe. As Masons, we accept the person 'just as they are'. While we may tell a brother the importance of prayer, we do not tell him how to pray. Nor do we tell him

which Volume of Sacred Law to read, but we do encourage him to find more light by studying.

So, while you may think that a cheese, sausage, pepperoni and mushroom pizza is 'out of this world, another may prefer only the cheese and pepperoni. The key is cooperation. If you and I respect the other person's ideas and he respects yours, together laying aside the

differences and sharing the common, we will find the result pleasing to both. If these things are done you and I will find that it doesn't matter as much what is shared as who you share with.

Tribute to the memory of Don Richardson

Submitted by Noble Graham Wilson

There is an empty chair at the Oasis Shrine Center that cannot be filled. Don Richardson died of Covid 19 on January 20, 2022. Don was a 50 year member of Oasis Shrine, becoming a member in 1971. He had been awarded Life Membership and was known and loved by many Oasis members. He is survived by his wife Ann, 2 brothers and daughters Kelly, Amy and Lorrie. His passion was to support Shrine Hospitals and the children we serve. Don was in the automobile industry all of his life. He always owned and enjoyed his pick-up truck and had just purchased a new Toyotal pick-up weeks before his death.

Don held many positions in his 50 years as a member of Oasis. Here are some of the Clubs, Units and activities he participated in: Past Membership Chairman, Past Captain Oasis Raftops, SASA Representative (10 years), Co-Chariman SASA Director General 2013 (Doyle Simmons, President), Director of ROJ Court 109, 2003, member of Past Captains Club and Billiken Club.

On a personal note, he was active in Kwanis Club, Rolling Hills Country Club in Monroe, NC and Central United Methodist Church. Don will be missed by all who knew him.

Memories Take Flight

Reprinted from Shriner Magazine

After Six Decades, a Noble Continues To Serve Others

Noble James Edward “Jimmy” Howell Jr., a member of Khedive Shriners in Chesapeake, Virginia, for more than 60 years, has had a memorable life as a volunteer helping children who need the specialized services our philanthropy provides. An instrument-rated, licensed commercial pilot, the Virginia native made many trips flying patients to our Greenville and Cincinnati hospitals.

A Pilot’s Life

Howell recalled how well he was treated by air traffic controllers on those trips. “They designated us as Angel Flights and always gave us preferential sequencing during the flight,” he said. “They often would give us their blessings and their prayers.”

Now 87, Howell voluntarily stopped flying when he reached his 75th birthday. He had flown for 53 years and recognized that it was time to put his flight jacket in storage. He’s not afraid to admit he shed a tear when he sold his plane and watched the proud new owner fly away in his beloved Cessna Skylane.

Howell, a native of Southampton County, Virginia, served in the Virginia National Guard for 13 years and graduated from the first Virginia National Guard Officer Candidate School in 1959. He graduated from United States Army Air Defense School in Fort Bliss, Texas, in 1965, and was honorably discharged at his request as a First Lieutenant in 1966. He is a 32nd-degree Mason and a member of the Scottish Rite. His careers included farming, entrepreneurship and work in the telecommunications field. He has been married to Martha Hardee Howell for more than 60 years, and the couple have three sons, one daughter, eight grandchildren and two great-grandchildren. Howell remains active in church and enjoys writing books and articles.

Looking back, Howell is appreciative of the ways the fraternity enabled him to serve children and families. “I have been remiss in thanking Khedive temple for this amazing opportunity that I had been given,” Howell said.

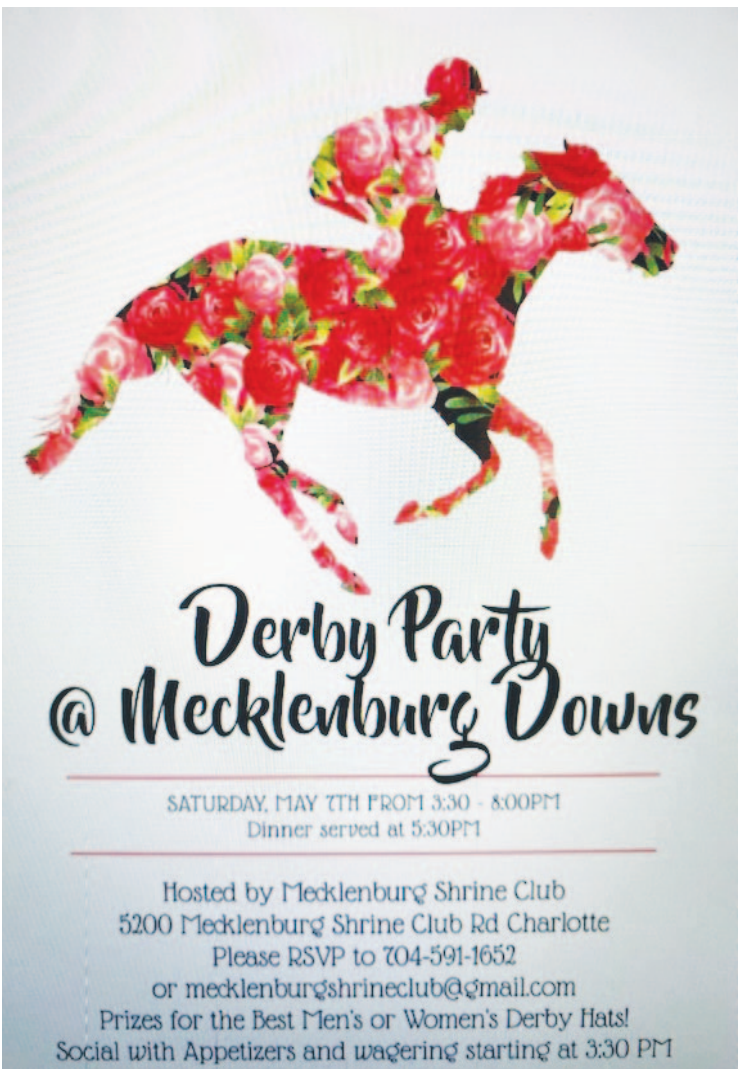

Jimmy’s Memories

“I was browsing through my coat closet and came across my old flight jacket that I wore most all the time during the late 1990s and early 2000s. This was the time I was most active flying patients from the Tidewater area of Virginia to and from the Shriners Hospitals in Cincinnati, Ohio, and Greenville, South Carolina. Suddenly my mind was flooded by a host of wonderful memories. That was a time that brought such joy to my life that it is hard for me to adequately describe it,” Howell said.

“One little girl had been born with twisted feet and legs. From infancy to the time I met her, she had been in full casts on both legs. I was privileged to meet her when she was about 8 years old. She would sing to me while going to and from the hospital.

“On the last trip that I took her to Greenville, the doctors changed the casts to ones that were open-toed. As we boarded the plane for the trip home, she exclaimed to me with great gusto, ‘Look Mr. Howell! I can see my toes!’ For the first time in her remembrance, she could actually see her toes, and her legs and feet were straight as they should be. Suddenly my mind was flooded by a host of wonderful memories.”

Surry Shrine Club: Calling all sweethearts

By Edie Wilson

When you see Mt. Pilot in the distance you know you're nearing Mayberry. There's the Snappy Lunch and Barney's squad car, but tonight's feature isn't on Main Street. Westlake Drive is where you'll see the Surry Shrine Club. Step inside and you'll find you're both an honored guest and an old friend. The warmth of this crowd makes you feel welcome, and you're glad you drove a couple of hours to join the party. Guests include Mike Neaves (PP 2017) and Lady Bobbie, Chief Rabban Doug Garland, and visitors from the Brushy Mt. Shrine Club.

Club President Noble Keith Osborne and Lady Stephanie host while Vice President Mark Sexton alternates between bartender and chef.

Levi's Toy Drive is well underway.

Noble Marty works on his second helping of banana pudding.

Sweethearts Noble Mike and Bobbie Neaves won a scrumptious gift basket.

Guests enjoy fellowship and a yummy buffet.

Shriners Children's Charleston Classic

November 18-21, 2021

A new signature event for Shriners Children's helped raise the profile of our healthcare system while featuring some exciting college basketball players.

The Shriners Children's Charleston Classic was played at TD Arena in Charleston, South Carolina.

The eight-team tournament, dubbed "The Lowcountry's Premier College Basketball Event," featured West Virginia, Clemson, St. Bonaventure, Boise State, Ole Miss, Temple, Marquette and Elon.

The opening round featured a matchup between two previous Shriners Children's Charleston Classic Champions, Clemson (2008) and Temple (2017).

You shop. Amazon gives.

Do You Order from Amazon?

Almost everybody orders stuff from Amazon. Did you know that you can make a donation to Shriners Hospitals For Children when you order something from Amazon, and it won't cost you a penny!

In your Amazon account, go to the Amazon Smiles link and register your name. Then, each time you order something, Amazon will give a percentage to SHC.

In the last year, Amazon has donated more than \$250,000 to SHC through Amazon Smiles. It is easy to do. One time registration, and you never have to do anything again.

Shrine Centers, Clubs and Units throughout America have been unable to hold fund raising activities due to the COVID restrictions. Please do this. It is a great way to help our Hospitals, who have suffered this past year due to COVID.

Please help.
