SHRINER DAYS AT SHRINERS CHILDREN'S GREENVILLE

Shriners International

Your Potentate

As we ease into the fall, I hope you all had a great summer and found time to spend with family and friends and time to relax.

September ushered in our SASA meeting at Myrtle

Beach and what a great event and weekend that turned out to be. Oasis was well represented from the business meetings beginning on Thursday through the Saturday evening Oasis hospitality event. On Saturday, our Oasis parade units managed to bring home 14 trophies/plaques overall. One third place, nine second place and four first place awards. A tip of the hat to our units for all their efforts and immense success at SASA. Your Potentate received many positive comments from other shrine temples, SASA officers and the Imperial Divan members. While at SASA and in the spirit of giving, an anonymous Oasis noble and his lady presented me with a check for Shriners Children's for \$4,000. What a fantastic way to begin the weekend in such a positive spirit.

On September 1, I was honored to attend the regular monthly meeting of the Surry County Shrine Club along with Noble Chief Rabban Doug Garland and bring greetings from Oasis Shriners. Thank you to the Surry Nobles for your warm welcome, generous hospitality, and all you do to support Oasis.

September 2, Lady Leigh and I were at the Red Fez Shrine Club, where we held a Fall Ceremonial planning session followed by the Red Fez Club meeting. Several Divan members were in attendance and again we brought greetings from Oasis Shriners. Thank you to the Red Fez nobles and ladies for all you do to support Oasis, and your warm welcome and great hospitality. Keep Red Fez strong!

September 9, the Oasis Patrol held their regularly scheduled meeting to plan for delegated SASA duties from the Potentate. A special thank you to the Patrol Unit for all you do to support Oasis Shriners in taking part in our events and performing the duties at the will and pleasure of your Potentate. As the Patrol is my personal unit, Lady Leigh and I are proud to be a part of the oldest and first unit of Oasis Shriners. Keep up the great work of supporting Oasis Shriners!

September 10, I was back at the Red Fez for the Hillbilly Clan #13 Degree hosted by the Red Fez Shrine Club members. The Hillbillies did not

disappoint with the activities of the day in raising funds for their unit and hospital and initiating new Clan #13 members. Thank you to the Oasis Hillbilly members for all you do for Oasis Shriners. Long Live the Cob! Lady Leigh and I planned to support the Gaston County Shrine Club's 1st Annual Toy Drive and Show-and-Shine on that same morning, but it was rained out and will be rescheduled for a later date. Thank you Gaston County Shrine Club!

Nobles, we have a need of great and urgent importance. Come January 1, 2023, we possibly could have over 500 Nobles removed from the rolls for non-payment of dues (NPD). It is urgent that you ensure you are current on your 2021 and 2022 dues to Oasis/Shriners International. You can look at your dues card for 2022 sticker, log on to WEBFEZ to check your status or simply call Oasis office to check. Contact Sherrie Vandergriff, 704-549-9600, select option 1, or send her an email request to check support@oasisshriners.org. You may also contact any Divan member for assistance. Act now and don't delay in keeping your membership current. If you happen to know of a noble who may need aid in paying his dues, please contact a Divan member and bring that to our attention.

Our next Guiding Principle is "Hope." As described in the encyclopedia for Freemasonry:

"Depictions of the graces have been found throughout the centuries. Within Freemasonry

Faith, Hope, and Charity have also been depicted as three women: the frontispiece to Albert Mackey's Encyclopedia of Freemasonry in a stunning illustration:

***Faith** is shown standing between two Corinthian Pillars holding a lamp in her hand, which symbolizes the 'lamp of knowledge.'*

***Hope** stands before a window, flowers in her arms and new growth springs at her feet.*

***Charity**, with the clouded canopy of heaven behind her, holds a small child in one arm and two older children cling to her.*

In religious or spiritual terms, we aspire—or hope—that we will achieve Salvation and enter the 'Canopy of Heaven' at the end of our life, in "hopes" of reaching the Promised Land. In daily life, hardships, fears and frustrations are abundant; we often encounter obstacles that make life difficult; people we don't like or those who make us feel inferior, but as long as we have faith in ourselves—and our God/Supreme Being—and "hope" to anchor us to the right path and the way to walk it, we will succeed. Freemasonry offers the tools for all these things."

Finally, Nobles and ladies, live in peace and may the God of love and peace delight with and bless you all!

Illustrious Sir Tim Daniels and Lady Leigh

Your Recorder

Greetings to all nobles, ladies, friends and supporters. As always, I want to personally thank each of you for being a part of Oasis. Without you, none of this would be possible.

This month's spotlight on Oasis Divan leadership takes us just close to the end and to the elected position of Chief Rabban. This position is held by Noble Doug Garland.

Noble Doug came into the Shrine in 2008 during the spring Ceremonial in Asheboro during Ill. Sir John Elder's year. Doug has served as an officer on the Greensboro and High Point Shrine Clubs before being appointed to the moving Divan line by Ill. Sir Mike Neaves in 2017.

Noble Doug gives credit to several people who helped mold him during his tenure, but it was Ill. Sir Sticky Burch who had a very big influence

on Noble Doug and his career in the Shrine. As Chief Rabban, Noble Doug is responsible for the operations of the Divan. This position, some would say, is like the position of majority whip. He is constantly calling members of the leadership team along with clubs and units while working with each member of the Divan to make sure projects get done. He is doing all of these things while preparing his own budget and planning his year of 2023.

Clubs that Noble Doug is directly responsible for are Appalachian, Ashe, Elkin-Jonesville, High Point, Legion of Honor, Mystic, New River, Randolph, and Surry. His unit is the Surry Mini Truckers. If you need his assistance, please reach out to Noble Doug at dgarland@oasisshriners.org or call his cell phone 336-963-1326; he is there to assist you and get ready for a fun filled year in 2023.

Next month we will move up to the middle of boardroom table to the office of Oasis Potentate.

Since my last article Oasis has attended SASA and elected a new fifth vice-president in Ill. Sir Bill Carter. By now all of you know how much Ill. Sir Sticky meant to me and Lady Carol. While at SASA I had an opportunity to sit and talk with Noble Chip Burch about his dad and remember a lot of the good times. Noble Chip informed me that he was moving items of his dad's and found his SASA President's jewel. That night after we finished talking, he and I decided that Ill. Sir's SASA jewel is going to be donated to Oasis, so it can be worn by each newly elected SASA President from Oasis. That means from now on each time Oasis holds that office that jewel will be presented at the installation. Just think about 200 years from now, how cool to have this live on.

As of this article, I still don't have a time for the Oasis elections on December 3. We are hoping

for an early starting time but will not be able to announce that until after the Grand Lodge elections on September 30 and October 1. Once I know I will share it.

We have several things coming up. The third annual Oasis golf tournament is October 21 and there is still time of sponsor a team or hole. Call the office or email Jimmy Owen at jowen@oasisshriners.org. We have our Fall Ceremonial at Oasis on November 4-5. Make sure to book your rooms now at the Hilton University.

Before I go, I would like to congratulate our very own Edie Wilson, who once again won first place out of all 200 shrine Temple / Centers for the Oasis Desert Dust. Lady Edie, I believe that makes three wins and one honorable mention for Oasis. Great Job and keep up the good work!

I always like to close by remembering to thank GOD for all His glory, enjoy your family, stay safe, and be thankful every day for what you have and where you are. Hope to see you at Oasis or at an Oasis function soon. Until next month.

YITE,

John G. Cable

The Masonic Home for Children at Oxford is North Carolina's First Children's Home.

The Mission is to provide a safe, nurturing home for children in need with opportunity to maximize their potential. The children often have challenges because of the traumatic situations they have endured. Often they are moved from School to School which makes learning more difficult, affects how they feel about themselves, and leaves them feeling alone.

SASA PARADE

FIRST PLACE AWARD

Shriners Children’s Greenville – The first hundred years

“Healthcare has changed and we are changing.” According to Imp. Sir Jerry Gantt, Shriners Children’s is not only offering the best care for “our kids,” we’re reaching out to El Salvador, Viet Nam and beyond to provide orthopedic treatment and aftercare to children across the globe.

On Saturday, September 24, hundreds of Shriners and guests gathered at Shriners Children’s Greenville to celebrate a Legacy of Generosity. There were check presentations and happy birthday songs. We heard Trana Pittam, Director of Marketing and Communications, emphasize the fact that we’re not just “free care,” we’re THE BEST CARE! Shriners Children’s Greenville treats over 85 orthopedic conditions and is in the top 1% in patient satisfaction. Patients and their stories brought home that fact.

With alternative payment arrangements that create a network of contacts and record-breaking referrals – 465 in August alone - Shriners Healthcare System is experiencing phenomenal growth. During and after the 2020 pandemic many non-shrine hospitals collapsed. They were forced to cut services, layoff employees and even close their doors. Cleveland Clinic experienced a \$1 billion loss, while Shriners Children’s Greenville remained “Shriner Strong.” No missed payroll, no cut services. Built on a foundation of philanthropy, Shriners Healthcare System continues to provide THE BEST CARE - comprehensive, wrap-around care - to children in the Upstate and beyond.

Happy 150th Anniversary, Shriners!

Happy Anniversary to Shriners International! For 150 years, you've made the world a better place through fun, fellowship, and philanthropy! In 1922, the fraternity opened the first Shriners Hospital for Children. Since then, the healthcare system — now known as Shriners Children's— has helped more than 1.5 million children around the world! Thank you for your unwavering support and dedication!

Happiness and/or Joy

These past few days we have received much needed rain in many areas of our state. And, the cloudy, rainy days bring to mind the wonderful song recorded by the Carpenters some years ago “*Rainy Days and Mondays*” (always get me down).

And, in those rainy days, there is much we can allow to get us down—not only rainy days. We fret and worry about so much. And, two words that come to mind. One is that word HAP. Hap is the root word of HAPPY and HAPPEN. Something must HAPPEN TO MAKE US HAPPY.

The other word is JOY. Joy comes from within. We can have joy regardless of what is going on out there. Nothing has to HAPPEN to make us Joyful.

The late great author and speaker, Zig Ziglar must have been thinking of the word JOY when he said, “*When you can’t find the sunshine,*

then BE the Sunshine. And, that brings us to Proverbs 31. The writer says “A cheerful heart is good medicine, but a crushed spirit dries up the bones.” “*A cheerful heart is good medicine, but a crushed spirit dries up the bones.*”

A JOYFUL HEART, A CHEERFUL HEART is good medicine. And that says to us *When we can’t find the sunshine, then BE the Sunshine.*

Remember, we have the choice; we can get Better or Bitter. I hope you and I will choose to be joyful and not wait on something to HAPPEN to make us HAPPY.

May God bless you most abundantly!

Anchor. Author. Speaker. Mom

We will have a special guest at our Ladies Social on Saturday, November 5.

Molly Grantham is the evening news anchor at WBTV News, Charlotte NC, and a three-time Emmy award winning journalist who has been named TV News Reporter of the Year for both Carolinas and a Charlottean of the Year by Charlotte Magazine in 2020. She juggles life with humor and poise and is a popular speaker who helps women feel seen. Her 2018 Tedx Talk, called *The Real We Are*, broke through stereotypes about women and image, and her two books both sold out on Amazon in their first week. Both are funny, accurate, real-life accounts of showing imperfections in relatable ways. (Think raw direct truth of comedian Nora Ephron, combined with Renee Zellweger’s inner-monologue in *Bridget Jones Diary*.) Books will be available on the day of the social and she will even sign them.

Molly has been at WBTV News since 2003. She is actively involved in Charlotte’s cancer community and well-known for writing about children with a variety of uphill medical battles. She is very familiar with Shriners and the work we do for children, as her father was a Shriner. She also knew our beloved, Past Potentate Illustrious Sir Doug Mayes. Molly and her husband have an 11-year-old daughter, 7-year-old son, and a (surprise!) baby boy born in July 2020, during COVID.

She says in her next life, she wants to be a mermaid.

Second Opinion Gives School Basketball Star A Second Chance

After persistent and worsening knee pain, Shane Hollinsend wasn't able to play the game he had loved since he was 6 years old – basketball. After seeking a second opinion from Shriners Children's Greenville, he was diagnosed and treated for diagnosis-patellar tendonitis of the left knee. Now, he's back on the court and giving back to the hospital that gave him a second chance.

Shane says: "Shriners Children's is such a good environment for kids of any age. To give back – I wanted other kids to get the opportunity to go out and play just as Shriners did for me."

Injury Care at Shriners Children's Greenville

From the playground to the playing field, we know the start of the busy school year has kids more active and vulnerable to injury. Our trusted leaders in orthopedic care for kids can get patients scheduled within two business days.

Refer a Patient

In addition to injury care, our hospital treats over 85 different orthopedic and neuromuscular conditions. Refer a patient to be seen virtually or in-person by calling **866-459-0013** or fax a referral form to **864-240-3111**.

All patients are treated regardless of a family's ability to pay or insurance status. Free transportation is available, upon request, to and from our hospital and outreach clinics. Interpreter services are also available.

Street-Tiques Car Show benefits Land of the Sky Shrine Club

Chartered in 1972, Street-Tiques is proud to be the oldest continuously active car club in Western North Carolina. Through fellowship, we are dedicated to the preservation and enjoyment of pre-1949 American cars. Other cars are allowed by invite only. Additionally, we are a 501C-3 charity, funding many organizations in the area. We have raised and donated well over \$178k to the Land of the Sky Shrine Club, as well as additional funds to other area charities.

Many Shriners and car club members were in attendance when Street-Tiques president Jamie Morgan presented a check for \$22,500 to Land of the Sky Shrine Club president Donald Stills.

This year's show was the 16th car show they have done bringing the total for all 16 shows to just over \$203,000. This is a big win for Land of the Sky Club and Shriners Children's.

We have an exciting opportunity for any noble, club or unit!
 Do you have any Remote Control experience? Willing to learn?

Earlier this year I was contacted by Bill Loeser, President of the Moore County Shrine Club. He had been contacted by a non-Mason from Pinehurst who had robotic equipment he wanted to donate to the Shriners. Bill gave me his contact information and I reached out to Mr. Mike Robeano about what he had to offer. Now before I spoke with Mr. Robeano, I must admit I had a picture in my mind of about how I thought the robots would look. But after just a brief conversation that changed. He then directed me to the manufacturer's website and I was able to see for myself what he

was offering to Oasis. My mind immediately started thinking about how these robots could be used to interact with our Shrine Children. This is the address for the website, check it out for yourself - proboticsamerica.com

Mr. Robeano said he had used these robots to travel to schools, hospitals and special events to speak with children on a variety of subjects like fire safety and crime prevention. He said the children really interact well with the robots. Yes, I said interact. These robots are equipped with cameras, microphones and speakers. They are mounted to RC vehicles and drive around the room talking to the children and answering their questions. It would be a great tool for any noble, club or unit to use to interact with our Shrine Children, use at fundraising events to engage the crowd or even at Ceremonials to greet people or help instruct the Candidates.

We have a robot body and three interchangeable heads consisting of a boy, a girl and AI, who looks very much like Einstein. All of them have their own wardrobe of clothing to choose from. The RC vehicles they can choose from are a tricycle, a pink corvette and a yellow corvette. The RC vehicles and the robots are controlled from a single main console.

So, if you think you or your Club or Unit would be interested in taking ownership of these robots, please contact me anytime!

Keystone Kops asking for help

I hope everyone has had a wonderful summer and enjoying all that life has to offer.

It pains me to write this but, as we all know things happen beyond our control. For about 15 years the Oasis Shriners Keystone Kops have been hosting a weekly cruise-in during the Spring/Summer. We inherited it from the Steel Drum Band when it was at the old Riverview Inn fish camp on Wilkinson Boulevard in Charlotte, and then we relocated across the river to downtown Belmont; and there it continued for many wonderful and rewarding years that can't be described. If you ever attended one of our cruise-ins, than you will know what I'm talking about.

On July 5 of this year, our weekly cruise-in ended. One of our longtime sponsors, Glenway Premium Pub, sold out to Pita Wheel. And our other sponsor made a business decision to no longer offer up their parking lot on a weekly basis for our cruise-in due to their increase in business. Coupled with the closing of Glenway and the other sponsor's decision, the gut punch was felt, and it was felt hard. The Keystone Kops enjoyed a long and productive relationship with all our sponsors over the years. And we are grateful!

So, with that being said, we are looking at other options and, yes, we have discussions going on with other locations and hopefully something will work out.

Now, onto something more pressing. The Keystone Kops, like many of our units and clubs, is seeing a decline in membership. Most of the Keystone Kops and ladies have been in the unit 25+ years. The oldest is 89 and the youngest is 54 years old. No matter how hard we try, the Keystone Kops have not been able to recruit new members in a long time. We've had one new member and his lady join in the last year. That's it! Most nobles we talk to and try to recruit, give us the same answer, "Ya'll are too busy, and I can't make that commitment." Our answer to that is "Well duh, why do you think we're the #1 fundraising unit in Oasis?" Shriners have two goals: Raise money for our hospitals and have FUN.

My question to our new nobles is "are you getting involved?" If not, that's a problem and you should ask yourself why. There are units and clubs within Oasis that need your help. And you would be blown away at how much fun you can have. But the old saying goes, "You get out of it, what you put into it." If you know a noble and his lady that would like to get involved with a fun and active unit, then **The KEYSTONE KOPS ARE FOR YOU!**

For the last nine years or so, the Keystone Kops have been the #1 fundraising unit in Oasis. This speaks volumes considering we only have around ten active members. If it wasn't for our ladies, we probably wouldn't be in existence. Our ladies are everything. If you don't believe it, just come to one of our meetings and see. I ask you again, if you would like to be part of something bigger than yourself, then become an Oasis Shriner Keystone Kop! We meet the second Thursday of every month at Sports Page Restaurant in Charlotte starting at 6:30pm. From now until the end of this year we are waiving the \$200 joining fee. Our joining fee covers your summer and winter parade uniform, but we're going to give them to you and waive the fee. Our annual membership fee is \$50 and that covers you and your family.

I urge you is to get involved before it's too late. The units and clubs can't survive without members. Plain and simple. But really, at the end of the day, the children and families we serve in our hospitals are the ones that will suffer.

The Keystone Kops have an ad in the back of the Desert Dust along with many other clubs/units. All the contact info is there. Make that phone call and get involved.

In Faith and Brotherly love,

Brian Wilson

Dear Nobles and Friends of Oasis Shriners

It is circus time again and we have planned another great Oasis Shrine Circus with Jordan World Circus. As in past years we are again asking you to be a:

- Circus Mom & Dad:** For a \$25 contribution, this entitles you to 2 free adult tickets.
- Circus Grandparents:** For a \$50 contribution, this entitles you to 4 free adult tickets.
- Circus Ringmaster:** For a \$80 contribution, this entitles you to 8 free adult tickets.

Each \$25 contribution gets you two adult tickets to any circus performance and as many kid's tickets as you want. If you can't use your tickets, we will distribute them to children and adults in other non-profit organizations who cannot afford to attend the circus. Tickets at the door are \$15 for 13 years old and over, 12 years old and under are free.

Again this year, we will be represented by a telemarketing company--Shrine Services. Please understand they are to omit all Oasis Shriners from their calling list. If they call you, **tell them you are an Oasis Shriners member and have them remove your name from their list.** Explain that you will contribute directly to your temple through the Mom & Dad Program.

No tickets will be mailed after October 1, 2022. Additional tickets are available at Oasis Temple. All contributions will be recognized in The Desert Dust. Thanks for your continued support of the Oasis Shrine Circus!

Update from the clowns

Greetings Nobles and Ladies,

As the 2022 Circus is going to be upon us before we know it, we would like to give an update about the Rodney Morgan Memorial Bicycle give away. With your help and support we plan to give away as many bikes as possible this year.

With every \$100 donation, we can purchase a bike and helmet. Thanks to the support of our clubs and units, we are looking forward to being able to make this happen for the children again this year.

Please direct any questions to Wayne Alley at mr.dimples1970@icloud.com or phone 864-706-6282. Thank you in advance for supporting this wonderful opportunity to make a child smile. We at the Oasis Clown Unit look forward to another successful event!

SEE YOU AT THE CIRCUS!
