From the Potentate

Nobles and Ladies:

Words cannot express the heartfelt appreciation for the outpouring of love and support shown

by each of you during the recent passing of Lady Laura's mother, Mrs. Nan Bradham. Your kindness, cards, calls, flowers, and words of comfort will not be forgotten.

Once again, congratulations to our newest 24 Sons of the Desert who joined Oasis during our Sandhills Ceremonial in Aberdeen. They have wasted no time in hitting the ground running, joining local clubs and units, and even visiting Shriners Children's Greenville during the March Open House event.

Speaking of the Open House event - WOW! TEAM OASIS had the strongest showing of any Shrine Center present

with more than 80 nobles and ladies in the house! It does this Potentate's heart well to know that our communication efforts were successful in getting out the word about this opportunity. We had several "first-timers" present who will no doubt help spread the word that EVERY Shriner and Shrine Lady needs to visit OUR healthcare system to witness firsthand what those golf tournaments, car shows, breakfasts, BBQs, giveaways, drawings, Paper Crusades, Plaque Program, and so many other events support each year.

As you are reading this April edition of the Desert Dust, your Elected SASA Representatives will have just returned from Spring SASA in Charleston, West Virginia, and Director Rick Garver will have drawn Oasis's number for the Fall SASA parade lineup. (Let's hope Noble Rick made us proud.)

With 41 participants' luggage packed, we will be "wheels up" on April 18-26 for the

Potentate's trip to Hawaii. For those of us who decide to return home and back to reality, we'll see you in May. Meanwhile, Chief Rabban Tim Farris is aware he has the helm while the Pote is away - so easy even a caveman - strike that - retired Chief Deputy Sheriff - can do it.

Remember, May 17 is just around the corner, so help us shake the tree and beat the bush for our next One-Day Ceremonial at Ashe Shrine Club in Jefferson. Make sure you take a moment to reach out to a brother Master Mason and ask him to consider joining our most worthy cause, "The World's Greatest Philanthropy," Shriners Children's.

Cullowhee, Here We Come! You will notice elsewhere in this issue that we have released the Spring Ceremonial Agenda along with all relevant information. Registration is required so we know you're coming and can plan accordingly. We anticipate that the vast majority of people will choose the option to stay in the newest residence hall (nicer than some hotels!) on campus at Western Carolina University in order to get the "full feel" for the theme of the weekend in Cullowhee, but for those folks who may need a traditional hotel room we have a block set aside at the Comfort Inn in Sylva. Make sure to go ahead pack your favorite pillow and register using the Eventbrite link (thanks, Noble Chief Aide Nick) and reach out to support@oasisshriners.org with any questions.

Remember, today you are somebody's example when they glance at the ring upon your hand, the lapel pin on your collar, the stitched logo on your shirt, or the decal on your vehicle. In the words of our beloved Oasis Chaplain, Past Potentate John Stanley, "let the words of my mouth and the meditations of my heart be acceptable in your sight, O Lord, my rock and my redeemer."

Yours in the Faith,
Illustrious Sir Chris Hall

Devante Hicks, Class of 2010

"Growing up with 12 siblings in the house, everything was scarce. It was survival mode. I started hanging out in bad environments. At that point I thought nothing mattered, no one mattered.

I found a brochure from the Masonic Home for Children. The slogan was "A home away from home," and I thought this is where I need to be. When I got there my house parent, Karen, said "This is your room." First time I ever heard that. Immediately I felt secure. After a while everything started to stick. The love that was given was real, Karen was real. All of these things played a part in healing the brokenness of not being cared for, not being loved.

That carried me throughout my journey from the time I got to the Home until I graduated from college until now.

I now have three beautiful children and I'm a certified juvenile justice officer with the state of North Carolina. We're taking on juveniles who come from similar backgrounds as myself.

From being at the Home to what I do now, I look at every kid as a chance. If you give them the tools and give them the resources, you'll be amazed as to what they can grow into.

The Masons have helped guide my life. They didn't know me at all. Who helps people they don't know? They're doing it with genuineness and care."

From the Recorder

Hello Everyone,

I hope this note finds you well. My next few articles will focus on our hospital kids, and I hope you enjoy

reading their stories. This month's focus is on Kandee. The following information is readily available on Shriners Children's website, but I am more than happy to bring it to you personally.

Dancers speak through movement. The graceful rise of an arm. The head tilted just so. The pause...and the powerful leap that transforms into a spin. Their body is the instrument, and they pour their heart and soul into the performance. The artistry evokes wonder, excitement, heartbreak, joy, loss and triumph.

Kandee Allen knows that it also has the power to heal. Growing up as a dancer, she recalled visiting the patients in the old Shriners Hospital in Salt Lake City, Utah as a child to perform with her dance school. Deeply moved by the patients she met there, Kandee never forgot the experience. Decades later, now the owner of a successful dance studio, the memory

inspired her to find a way to give back through the art of dance. And so, Art with Heart—"Kids Who Dance, So Others Can Walk"—was created.

"For me as a teacher and studio owner, I would say—more than anything else I've done—that this is the most fulfilling and important thing that we do."

Art with Heart is a dance competition benefitting Shriners Children's Salt Lake City. The annual event features nationally acclaimed dancers ages 4-18 from three top dance studios in Utah: Dance Impressions, The Dance Club, and The Winner School. Leading up to the performance, the studios and dancers raise money through sales of paper hearts which are then customized with the donor's name and displayed in the Salt Lake City location's lobby. Ticket sales for the event also contribute to the fundraising goal.

"I know it's a lot of work," Kandee reflects. "It's a huge labor of love, but it's the most enjoyable event that each studio looks forward to every year because we know its purpose. It is definitely the highlight of our season."

Now in its 22nd year, the third-party fundraising event has raised over one million dollars for Shriners Children's Salt Lake City. "I remember over the years thinking, 'Wow, look what we're capable of,'" says Kandee. "I know that this is something others could do, too."

To learn more about Art with Heart, contact artwithheartprogram@gmail.com.

Things continue to go well here at Oasis, and we would love to have your stop by and visit your temple. Take care until next month, and remember, the work you do for our fraternity and philanthropy is sincerely *appreciated* and *essential* to our hospitals and all our Shriners Children's programs like Art With Heart, that they serve.

Noble Robert W. "Bob" Erwin, Jr. Receives Oasis Shriners Doug Mayes Lifetime Achievement Award

On Sunday afternoon, March 9, 2025, members of Oasis Shriners gathered at the home of Noble Bob Erwin in Gastonia as his entire family joined in a planned surprise celebration.

During his installation remarks in January, Illustrious Sir Chris Hall shared a story regarding "the three wise men," two of which are Illustrious Sir Terry K. Jones and Illustrious Sir W. David Sumpter III.

For his decades of a labor of love in the quarries, and without hope of gain or reward, having served our fraternity and mankind in the most humble and selfless manner, Noble Bob was surrounded by his children, grandchildren, and great-children as Illustrious Sir Chris Hall proudly designates him as a recipient of the Oasis Shriners Doug Mayes Lifetime Achievement Award.

"Noble Bob is responsible for stoking my passion in Freemasonry and encouraging me to become active," remarked the Illustrious Potentate. "Had it not been for Noble Bob, I likely would not be standing here before you all today in this capacity."

Noble Les Dix, Oasis Photographer, was on hand to capture a most special photograph of Noble Bob and his family gathered outside their historic family home on Beaty Road, having been constructed by the great-grandparents of his late wife, Margie, as members of Oasis Shriners joined the occasion including Past Potentate John Burgess, Past Potentate Tim Daniels, Chief Rabban Tim Farris, Second Ceremonial Master Tom Bridges, Marshal Larry Payne, Potentate Special Aide Brandon Penley, and Illustrious Potentate Chris Hall.

A Day in the Life: A New Roadrunner

Thank you, Illustrious Sir Chris Hall and Chief Rabban Tim Farris!

Submitted by Dave Mahan

Today, I was lucky enough to "train" a new Roadrunner (former Tripster). Today our Chief Rabban, Tim Farris, got to take a patient to Shriners Children's Greenville.

The usual things transpired...the van was picked up, patient and Mom were waiting at the door for us, great conversations were on-going, aluminum can tabs were delivered, and our new Roadrunner got his official Shriners Children's picture ID and a new hat. There were introductions with other Roadrunners from YAARAB, and potentate pins exchanged.

After a few conversations with staff and a patient about future guitar lessons we signed in at the Roadrunner Lounge to await

the call for the patient's visit to be completed.

When it was determined that this was our patient's LAST visit, the hunt for the Bell-Ringing Ceremony HAD to happen! The bell was found, and on his first trip to the Hospital as a Roadrunner, our Chief Rabban led the celebration!

What a day to celebrate the conclusion of a patient's treatment...and no one could have been happier!

Special thanks to Illustrious Sir Chris Hall for encouraging his Divan to take a trip with a Roadrunner, and thanks Tim Farris for stepping up to do so! What a day to remember! Once again, demonstrating the great leadership for Oasis Shriners!

"Wednesday March 5 was a very rewarding day for me, as I became an official Oasis Roadrunner and had my heart touched by transporting a child and her mother to Shriners Children's Greenville for what became her last visit after nearly sixteen years of treatment by our wonderful healthcare system. Noble Dave Mahan and I will not forget the smile on her and Mom's faces when she rang the bell signifying completion of treatment."

- Tim Farris, Chief Rabban

Having Fun & Helping Children

Petals of Hope: Lady Laura's Monthly Story

Every child deserves a little magic, and for Alice, a five-year-old princess full of sparkle and joy, her journey at Shriners Children's Greenville brought hope wrapped in rhinestones and glitter. Born with VACTERL association, Alice has faced more challenges in her young life than most could imagine—from open-heart surgery as a newborn to a severe scoliosis diagnosis that threatened her life.

At her first visit to Shriners Children's Greenville, Alice's spinal curvature measured a critical 105 degrees. With expert care and the warmth of a team who believed in her, Alice's treatment began

with halo traction. Throughout her three-month hospital stay, she was not only given the medical attention she desperately needed but also the chance to simply be a kid—complete with princess dresses, fun activities, and even a special visit from Elsa herself.

This month, **Petals of Hope** shares Alice's inspiring story of resilience, healing, and joy. Her journey continues with Mehta casting, and her smile continues to light up every room she enters, a true testament to the life-changing care provided by Shriners Children's Greenville.

With rhinestones, glitter and plenty of sparkles, the staff at Shriners Children's Greenville ensured this patient's halo traction was perfect enough for a princess.

And simply put, Alice is everything one would imagine a princess to be – a one-of-a-kind, bubbly, outgoing, little girl who loves to wear her "pretty" dresses, plastic heels and sing as she rolls down the halls in her halo traction. But even past her highly infectious smile and wonderful demeanor, you would never think to imagine the hardships this 5 year old has already endured.

Diagnosed with VACTERL association, Alice had many complications upon her birth. VACTERL association is a nonrandom association of birth defects that affects multiple anatomical structures such as vertebral abnormalities, cardiac defects and renal (kidney) abnormalities.

"The moment she was born, she had to undergo open-heart surgery and every two weeks

afterward, she would see different specialists to tackle her diagnosis," said Donna, Alice's great aunt.

At 18 months, Alice was then diagnosed with scoliosis – a curvature of the spine. Her physician at the time concluded it could be fixed with bracing but as time went on and her curvature worsened, her family began to fear for her life.

"We knew if we could not reduce her curve her spine would soon crush her lungs."

When a friend recommended Shriners Children's Greenville, Alice's family was eager to make an appointment.

A severe curvature of the spine is defined by a curve of more than 50-degrees. At her first appointment, Alice's curve was measured at 105 degrees. Alice was in dire need of our help. Alice's treatment of care started with halo traction to combat her scoliosis. Halo traction is an upward pulling of the head and spine using a weighted pulley system to elongate and help straighten the spine. Her halo treatment resulted in a three-month hospital stay.

During this time, our staff and Child Life team dedicated their time to make her hospital stay a magical experience; by hosting events, making new recipes and focusing on letting her just be a kid. For Alice, there was one experience that stood out from the rest, "My favorite thing was I got to meet Elsa! She came all the way from Arendelle just to see me," said Alice.

Now, Alice continues her scoliosis treatment with the use of Mehta Casting – helping straighten her spine as she grows. "We love everything about Shriners Children's Greenville," said Donna, Alice's great aunt. "Without them we are not sure if Alice would still be here with us. We couldn't thank them enough for all that they continue to do for us."

RELATIONSHIPS - HURTING PEOPLE

From an early age we are told to love our enemies, to Pray for those who persecute us, to turn the other cheek. Oh yes, and we are told: "Do not judge" and, most importantly, "Do to others as we would have done to us."

And, many of us question: Is it possible to love our enemies, to turn the other cheek, to be merciful, to treat others as we would like to be treated?

Indeed, it is possible. In the Old Testament, we read of a young man by the name of Joseph. You remember Joseph who had the coat of many colors. Joseph's brothers were jealous of him—resented him and devised a plan to get rid of him. Ultimately, they sold him into slavery. BUT Joseph attracted the attention of the powers in Egypt, and he became the second most powerful person in the country.

Finally, Joseph had the opportunity to extend mercy to his brothers by supplying food to them. No judgment, only forgiveness. And, in the 50th Chapter of Genesis Joseph ultimately tells his brothers: *"Even though you intended to do harm to me, God intended it for good..."*

And, we question, "how hard is that?" Here he forgives his brothers for attempting to do away with him. Here we live in a

"I don't have high blood pressure—I give high blood pressure" world, a pay-back, get-even, "what goes around comes around" world.

John Maxwell is a nationally-known teacher, a pastor and an author. His books primarily focus on leadership. In speaking about **RELATIONSHIPS**, John Maxwell says: *"Hurting People, hurt other people and are easily hurt by other people."* Once more, *"Hurting People, hurt other people and are easily hurt by other people."*

If we know that people who hurt us may themselves have hurts that are causing them to act in hurtful ways, it MAY HELP US WITH OUR RELATIONSHIPS. Perhaps they do not intend to hurt—they are much like a lion with a thorn in his paw. They just hurt all the time.

Let us remember: ONE: Hurting people hurt people and are easily hurt by other people; TWO: We can hurt others when we are hurting. And, THREE: In our prayer time, ask God if there someone for whom we need to pray to re-build a broken relationship?

Is there someone coming into your mind right now?

"The Walking Man" Travels for a Great Cause

Submitted by the Catawba County Shrine Club

Catawba County Shrine Club introduces Eric Morabito. Eric, AKA "the walking man," is both an active brother in Hickory Lodge #343, currently serving as treasurer of his Lodge, and an active member of the Catawba County Shrine Club, serving as its treasurer also. Eric enjoys driving with the Gator Patrol parade unit and assists in its fundraising activities! One of his recent contributions to our community is honoring our Veterans with a Field of Flags displayed on appropriate holidays at the Hickory Lodge and the Catawba County shrine club locations. He assembled the display this past year and hopes to continue the tradition annually. Eric also posts a daily inspirational message over the Facebook platform...but this Eric is known as "the walking man" because of his personal goals of walking daily for Shriners hospitals.

This is his own story:

In 2008 I was showing signs of an impending heart attack. In an effort to improve my health, I decided to change my eating habits and start exercising. I started walking, and in a short time I dropped 45 pounds. I stopped walking for the winter and started again on March 15, 2009. My goal was to walk at least four miles each day for as long as I could. It has been 16 years and I haven't missed a day. I have over 5800 consecutive days and walked almost 45,000 miles, averaging 7.67 miles a day.

In 2012 I thought I'd put my walking to good use and raise some money for the Cyprus Shrines' Transportation Fund. I had people

pledge an amount for every mile I walked for the year and raised a little over \$1300. In 2014 I had the idea to walk from my Blue Lodge to the Cyprus Shrine in Albany, NY and then to the Shriner Hospital in

The **Field of Flags** are starting to fill in. The Hickory Lodge currently has 4 adopted and the Catawba County Shrine Club has 16. Flags will be flown at these locations during the weeks of **July 4th**, **Labor Day** and **Veterans Day**. Each flag will have a laminated card attached with the sponsor's name and/or the person/group that it is being flown in honor of. You can sponsor a flag for **\$20** and the money raised is being donated to the Hickory Lodge and the Catawba County Shrine Club.

Springfield, MA. This turned out being a 186-mile adventure, and I raised over \$2600. When I reached the hospital I thought I was done but life has a way of playing with us.

My one-and-done walk turned into an annual event. The first two years I walked to the Springfield hospital, and then I added the Boston hospital as my ending point. In all, I did my walk a total of 10 times and raised over \$93,000.

I retired in 2023, and my wife and I moved to Hickory and joined the Oasis Shrine. I have been thinking of walking to the Greenville hospital and have decided to give it a try. I will be setting out on Thursday, April 10 and should reach the hospital the following Thursday (April 17). I will set out from Hickory and make stops at the Oasis Shrine in Charlotte (Friday), the Hejaz Shrine (Wednesday) and arrive in Greenville Thursday morning. I plan on camping out along the way and will be bringing a tent and sleeping bag with me.

This year's Walk will benefit Shriners Children's Greenville (60%), Springfield (10%), Boston (10%) and the Oasis Shriners Roadrunners (20%). My goal is to raise \$15,000.

Congratulations, Noble Eric. We wish you safe travels...and good weather.

Good Men Wear Pink!

Submitted by Lady Dawn Sanderson

As part of their initiation with Metrolina Shrine Club at the Fall Ceremony, new candidates spent the entire day with their club—building lifelong bonds, sharing

laughter, having fun and of course wearing their pink new-candidate shirts, all while raising money for an amazing cause. On February 21, these seven men proudly presented a \$3,000 check to Daughters of the Nile.

Parade of Tables

On a beautiful Saturday afternoon by the lake, 80 lovely ladies gathered for a delightful Parade of Tables at Red Fez Shrine Club. We enjoyed a delicious meal of pork tenderloin, green beans, mac and cheese, fruit salad, and delicious pound cake. The event was filled with creativity, stunning table designs, and a wonderful selection of local vendors for some fun shopping.

A perfect day of food, friendship, and festivities!

The Cherryville and Lincoln County Shrine Clubs Show Support for Shriners Children's Patient

The Cherryville and Lincoln County Shrine Clubs came together to show support to Shriners Children's patient 1½ year old Kaleb at our annual Valentines Day party. Kaleb and his family were guests for this event to give us a chance to get to know Kaleb. The mother tearfully told the story about their journey.

After Kaleb's family ran out of medical and insurance options, they were approached by a member of the Cherryville Shrine Club and offered options to contact Shriners Children's for a patient referral. After this process the family received news that Kaleb would be a new patient. His care has started, and the family has received good news on his future medical treatments. Kaleb has already received a new prosthetic arm, and his parents have

a new outlook on life now. As Shriners we are glad we could help bring peace and comfort to this child and his family.

Membership Minute

Submitted by Noble Ben Hamilton, Membership Chairman

Oasis Shriners held its first one-day Ceremonial of 2025 in Aberdeen, NC at Roman Eagle Lodge No. 550, welcoming 24 new Nobles. Our next ceremony will be a one-day on May 17, at Ashe Shrine Club, West Jefferson, NC. The Oasis Spring Ceremonial will be held June 6-8 at Western Carolina University in Cullowhee/ Dillsboro, NC. If you know a Master Mason that would enjoy being a Noble Shriner, get them a petition.

I am also very excited to announce the return of our Blue Lodge Ambassador Program. Noble Matt Peeler, membership vice-chair is leading our Blue Lodge Ambassador Program. One Oasis Noble will be assigned to each Blue Lodge within the Oasis Jurisdiction (50 western

counties) as a Blue Lodge Ambassador. The Blue Lodge Ambassador serves as a source of information within the Blue Lodge by providing Masonic education regarding the Shrine (if requested by the Master). The Blue Lodge Ambassador, at the appropriate time in the Lodge, provides updates to the Lodge on Shrine events that are upcoming in both our clubs, units, and Oasis Headquarters. The Blue Lodge Ambassador, in the most tactful manner and at the appropriate time, provides a Shrine petition to a Brother who may be interested in becoming a Noble Shriner. The Blue Lodge Ambassador can also inform our Shrine clubs and units of the upcoming events in their Blue Lodge (degree work, fundraisers, etc.).

SHRINE TRAILER Travels for You

Did you know the Shrine Hospital Trailer is available for your public Shriners Children's Hospitals fund raising or awareness events?

Noble Sam Moody has generously agreed to volunteer his time and energy to transport the Hospital Trailer to any location within the Oasis Region in an effort to spread the word about our wonderful Hospitals.

The trailer unfortunately cannot be used for fraternal (non-hospital) fundraising.

Noble Sam is ready and willing to bring the trailer to your location, with advance notice. 980-722-7951 sambo447@aol.com
