## Donor Plaque Program

**Shriners Hospitals**  
for Children™

950 West Faris Street  
Greenville, SC 29605

At Shriners Hospitals for Children®, we have a lot to be thankful for: thousands of healthy children who are now able to live more productive lives and the generous individuals who have made it possible. Our donors are part of a unique group who share the belief that each child deserves a chance to realize his or her dreams.

Shriners Hospitals for Children is a health care system of 22 hospitals (19 Orthopedic Units, 4 Burn Institutes and 8 Cleft Lip/Palate Units) dedicated to improving the lives of children by providing pediatric specialty care, innovative research, and outstanding teaching programs for medical professionals.

It is the mission of Shriners Hospitals for Children to provide the highest quality care for children up to the age of 18 with neuromusculoskeletal conditions, burn injuries, cleft lip and palate, and other special health care needs within a compassionate, family centered, and collaborative care environment. We are able to provide this service regardless of a patient or family's ability to pay. This mission is carried out without regard to race, creed, color, sex or sect.

As a 501(c)(3) non-profit organization, Shriners Hospitals for Children relies on the generosity of donors to continue improving the lives of children and helping them reach their true potential every day, we invite you to join us in continuing to fulfill this mission.

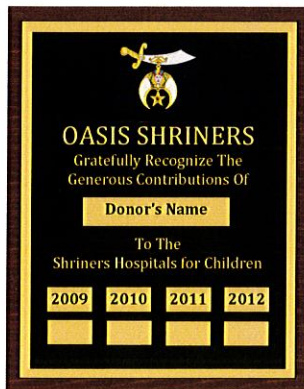

The Shriners Hospitals for Children is supported by the 195 Shrine. The Shrine Centers receives support from people like you. We are offering plaques to businesses and individuals who contribute to the cause of making a difference in a child's life.
